"Everyone Welcome"

Every THIRD Thursday

Each Month in
The Village Hall

We are a mixed group of people of varying ages and backgrounds who meet socially in the Village Hall. Our meetings include

refreshments and the opportunity to make friends and get to know other people who live in the village. We enjoy welcoming new members and membership is open to residents and friends who would like to join us. Membership costs just £5.00 per year.

At our meetings we discuss and organise outings during the year. We also raise money for charities, particularly those with a local focus. Last year we raised £200.00 in aid of St. Leonard's Hospice.

You are cordially invited to come along to any of our meetings, have a cup of tea and a chat and find out more about what we do. We will be very pleased to see you and doubly pleased if you bring a friend - ladies or gentlemen.

PARISH COUNCIL NEWS

These pages will give you an update on what the Parish Council have been dealing with and any issues that have been brought to our attention. Parish Council Meetings are held every second Thursday of the month, please check the Notice Board or website www.hambleton-pc.gov.uk for the most recent Minutes. An Agenda for the next meeting will be posted 3 days in advance of the meeting on the Notice Board.

PLAY AREA GARTH DRIVE AND RECREATION AREA

NEW EQUIPMENT - After securing funds from the Section 106 monies held by Selby District Council for use in Hambleton, TWO new pieces of equipment have installed at the park, finally replacing the broken equipment that has been removed over the last few years. The Parish Council hope the children enjoy playing on them.

Here is 4 year old Joshua on the new 'Flying Saucer'.

Photo: R. Sim

Thank You again to the volunteers who lock and unlock the park every day!

A number of repairs will also be getting done over the next few weeks, but we have been assured the park will be left safe for children to still play and the park should not need to be locked during the day.

ANNUAL GOVERNANCE AND ACCOUNTABILITY REPORT

The External Auditor Report from *PKF Littlejohn LLP* has been received for the year ending 31st March 2019 confirming there were no matters giving cause for concern. The *PKF Littlejohn LLP* report is available to view in the notice board and on the website.

SCARECROW FESTIVAL

It was great to see village groups join forces to organise the Hambleton Scarecrow Festival! Fantastic to see so many people making Scarecrows, following the Trail and Volunteering to help out! Hambleton Parish Council Chairman, Rich Sim, was at Church to present one of the prizes. More about the weekend on Page 7...

DOG FOULING

“Toxocariasis is a rare infection caused by roundworm parasites. Humans can catch it from handling soil or sand contaminated with infected animal faeces.

The eggs only become infectious after 10 to 21 days, so there's no immediate danger from fresh animal faeces. However, once the eggs are passed into sand or soil, they can survive for many months.” www.nhs.uk

PLEASE NOTE: Dogs are **not allowed** on the Recreation Area on Old Lane to avoid the risks of *Toxocariasis*. The playing fields are used regularly by children and adults throughout the week and by visiting teams also. Even if you pick up the poop - **residue is still left behind... this is where the risk comes from!!**

The Parish Council have purchased 4 dog waste bag dispensers to encourage dog owners to pick their dog's poop off the paths. *There is no such thing as the dog poo fairy...*

Please be a responsible dog owner, pick it up immediately and dispose of it safely. There is no excuse - bags and bins are provided - you can put it in any litter bin, it doesn't have to be a red dog poo bin.

If you witness dog fouling and an owner not picking up, please inform the dog warden with as much information as possible including time, place and descriptions of the owner and dog.

MAXIMUM PENALTY £1000

BURIAL AUTHORITY

As previously announced in the newsletter, the fees for the cemetery have now been increased and will continue to be reviewed as necessary by the Burial Authority. The updated information is available to view at: www.hambleton-pc.gov.uk/burial-authority/cemetery-charges

An updated policy with guidelines for those who visit and those who work in the cemetery has also been adopted. The document aims to ensure the cemetery is a peaceful place to visit and also a safe place to work. You can view the policy on the website and a copy will be displayed inside the cemetery notice board also.

HAMBLETON VILLAGE

Hambleton Gardening Club - 5th Annual Show

There was a wonderful turn out for the 5th Annual Gardening Show and donations were made to Hambleton Pre-School and Hambleton CE Primary School.

Geoff Sills did an amazing job auctioning off the village grown fruit and vegetables! Children's entries included Tallest Sunflower and the Garden Club had attended Hambleton Pre-School to help plant seeds with the children. Other children's categories included paintings and cress grown in an unusual container! The children all won medals.

HAMBLETON SCARECROW FESTIVAL 2019

HAMBLETON SCARECROW FESTIVAL 2019

It was always going to be a mammoth task, but Fiona Conor, the Friends of Hambleton School and St. Mary's Church joined forces to organise a fantastic weekend in Hambleton. St. Mary's Church have held the Scarecrow Festival for the last few years but wanted the event to become village-wide, so they got in touch with Fiona and FOHS to help them grow the event. What a success it was!!! With over 40 scarecrow entries for the Trail and lots of sponsored entries from Hambleton-based businesses it was a very creative (if a little damp) weekend in the village... The theme was 'celebrity' and Hambleton, you did not disappoint.

The village was graced with the presence of the Queen, Madonna, Lewis Hamilton, The Beatles, David Bowie, the Bake-Off cast, Richard Attenborough and for the kids there was Peppa Pig, Pinocchio, Mr. Tumble, Iggle Piggle and Shrek and so many more - all scarecrow versions of course. The FOHS committee expertly ran the Village Hall for refreshments with stalls and games for the kids on Saturday, and that was followed by a Free Family Cinema screening with fresh popcorn. On Sunday the Hall was open for Cream Tea's and St. Mary's Church finished the weekend celebrations with a lovely Harvest service and winner's presentation ceremony in the beautiful church.

Winning Scarecrows:

1st Place was Adrian and Harry and their mechanical Pinocchio. The trophy was presented by District Councillor Pearson and will be passed on to the winner of next year's scarecrow festival.

2nd Place went to Lois and Bill of Garth Close, with Neil Armstrong and Buzz Aldrin jetting off on their tandem rocket.

Photo: M. Cox

3rd Place went to Miss Middlebrook's Snowy Owls class from Hambleton CE Primary School some of whom are pictured on the front page of this newsletter. They had also made Neil Armstrong!!

An event like this cannot take place without the help of the Volunteers; the organisers would like to say a big

THANK YOU to everyone who helped out serving refreshments, baking buns and cakes, putting up gazebos, fetching/carrying, manning stalls and Rob Bourke for the loan of his BBQ which was a massive hit!

FINALLY, THANK YOU TO EVERYONE WHO TOOK PART AND VOTED!!

The organisers already have plans on how to improve the festival for next year, so get your thinking caps on for your 2020 entries!!

125 Mile Bike Ride in honour of the late Mike Fairburn

Rob Fairburn completed a 125mile bike ride on 13th July from his home in Stamford finishing in Hambleton. He raised £1402.25p for Cancer Research in memory of his father, Mike Fairburn, who passed away this year. He is pictured here with his daughters at his father's memorial in Hambleton Cemetery. Rob was born and brought up in the village. His daughters made this fantastic banner with help from their mum, so they could cheer their Dad on.

NEWS FROM THE CHAPEL

It has been a good summer but things are now back to normal again. The Sunday Club children are back after having very exciting holidays which included star gazing, swimming with dolphins and slide filled waterparks! It was good to see them all again and I am sure they have all grown taller over the holidays.

Many thanks to Colin for painting the Chapel gates for us. They look very smart and will last for many years to come.

The Holiday Club we held in August was unbelievable with no less than 33 children turning up. They sang, played games, did craft activities, decorated biscuits, listened to stories and had a great lunch produced in our brand new kitchen. We have to say a huge thank you to Lydia and Richard, our circuit youth workers for all their hard work and also a massive thank you to Margaret, Pam and Christine.

Tea and Toast has started back again after the summer break and you are very welcome to come along on a Thursday morning for a cuppa and a slice of toast and let your little ones play with our massive selection of toys. They do have a lot of fun.

NEWS FROM ST. MARY'S CHURCH

St Mary's Church

It's hard to imagine that the shops are getting geared up for Christmas once again. The nights are getting longer and we can expect some cold weather. This is all part of the natural cycle of the year here in the UK. Despite our grumbings about the weather when it doesn't suit us, we are fortunate to be able to celebrate God's love for us all in our beautiful country. It's not the same everywhere as we can see in the Open Doors monthly leaflet we receive in church. So much of the world is mired in conflict and distrust. We ask the prayers of all in our Parish for those parts of the world less fortunate than us.

Once again we've enjoyed celebrating several baptisms in St Mary's over the last few months, it is really lovely to celebrate the gift of new life with so many families and friends. St Mary's has been a place where many families have marked significant events, whether celebrations of baptism, or marriage or wedding anniversaries, or times of sadness and reflection. Our history is so tied up with the history of the people of Hambleton and it is a great delight and privilege to be a part of the lives of the residents our village. If you would like to celebrate your wedding or a child's baptism, please do contact Reverend Anna Burr on 270325 do discuss possible dates and to obtain further details.

By the time this newsletter is published we will have had a service to celebrate Harvest and to close the Scarecrow festival at 3.30pm on September 29th and we will have seen all the superb scarecrow creations. Thank you to all who have contributed in any way, we're sure that the Harvest Celebration in church will have been a fitting climax to an exciting time in the village.

We are always delighted to welcome new people to our Family Church Service on the third Sunday of the month at 3.30pm. Each month we have a short informal service suitable for people of all ages including craft activities a bible story and easy songs, with a theme associated with the time of year, followed by refreshments.

You may not know that St Mary's Church regularly supports local, national and international charities. Our most recent charity was Smile Train, an international organisation providing life changing and life enhancing operations for children born with cleft lip and associated problems. From a target of three operations, we have raised sufficient money to fund at least five such operations, thank you for all your contributions.
