**34/20 Declarations of Interest**

None declared

**35/20 Attendees Comments on Agenda Items**

No comments

**36/20 To consider the Hambleton Parish Council response to the Selby District Council's new Local Plan Consultation**

There was a clarification of what the Local Plan is about at this stage; allocation of land for use for development over next 20 years.

It was also made clear that during the council meeting Councillors would be setting aside any personal view on the Local Plan and would be reviewing the document with the wider public interest, more specifically Hambleton residents, and Sustainable Development in mind.

Sustainable development is define within the National Planning Policy Framework as "meeting the needs of the present without compromising the ability of future generations to meet their own needs".

**Resolved:** The Selby District Council Issues and Options Consultation document was considered and each question answered. A copy of the answers given by the Parish Council is to be included along with these minutes.

**37/20 Meeting close 8.40pm**
