HAMBLETON VILLAGE

1st Hambleton Rainbows are on the lookout for a new Assistant leader.

Currently we are running a parent rota, but that can't go on forever, I desperately need someone from Sept 2020 and thought I would reach out to the village in general - maybe someone in the village would like a fun hour every week, helping us out?

Interested parties can find out more and register their interest on the Girlguiding website - <https://www.girlguiding.org.uk/get-involved/become-a-volunteer/register-your-interest/> referencing **1st Hambleton Rainbows** or email margemcb@hotmail.com to ask for more information.

HELP WANTED!

“ I teach future world leaders how to tie their shoelaces. ”

Luncheon Club

Are you retired?

We invite you to join us for lunch at
Hambleton Village Hall
each Thursday at 12.30pm

The cost is £5 for a two course meal,
including refreshments and a raffle.

Please contact: Hazel
01757 228328 or 0796 2136 500

It is with great sadness that we share the news that Hambleton Pre-School will be closing in February. After serving the village for over 30 years we have recently seen a decline in numbers that has led to the committee and parents of the setting voting to close. The outstanding provision that the staff have given the children of Hambleton village will be missed by all who have been there. We thank the staff for all they have done and will continue to do till we close at February half term.

PARISH COUNCIL NEWS

These pages will give you an update on what the Parish Council have been dealing with and any issues that have been brought to our attention. Parish Council Meetings are held every second Thursday of the month, please check the Notice Board or website www.hambleton-pc.gov.uk for the most recent Minutes. An Agenda for the next meeting will be posted 3 days in advance of the meeting on the Notice Board.

BUDGET AND PRECEPT

As you may know, the Parish Council request money every year from the District Council to enable them to carry out the day to day running of the village; for example, landscape maintenance of the village green, the play area and the Recreation Field.

The budget was discussed at the January meeting and Council agreed that there would be **no rise** to households in Hambleton. Therefore on receipt of your council tax bill, it will show no increase for the Parish Council Precept section.

PARISH COUNCIL OWNED HOUGH

(The small side of the Hough) For information, the annual Bracken clearance took place just before Christmas, this will allow the fresh spring growth through.

HAMBLETON HOUGH

Clerk was informed that the work taking place on the Hough is tree planting and the contractors that are carrying out the planting should have completed the planting of over 4000 trees by this Spring.

A63 ROAD SAFETY

Following the loss of yet another crossing patrol officer, the Parish Council have requested that a Risk Assessment is carried out by North Yorkshire County Council to gather up to date traffic information centred around the busy times of day including school bus pick up/drop off, primary school drop off/pick up and peak commuting times. With the data the Parish Council hope to be able to discuss how safety can be improved through the village. NYCC accept there is a risk, otherwise a crossing patrol would not have been in place, therefore as a crossing patrol cannot be found, an alternative solution must be found. The Parish Council are as frustrated with the situation as residents and it has requested a crossing from NYCC many times over the years to no avail. It is hopeful, that with updated data and the fact that the village has grown and the backing of the residents, it can convince NYCC of the benefits for the whole village.

ELECTIONS MAY 2020

Elections for the North Yorkshire Police, Fire and Crime Commissioner will be held on Thursday 7th May 2020. The Village Hall will be the Polling Station as usual.

RECYCLING

Please see the information provided from Selby District Council on Page 4 regarding the new process for recycling starting in April. New bins are currently being distributed throughout North Yorkshire but will not be emptied until the collection scheme is up and running in March/April. Please continue to your current boxes until then. Green bin collection dates and regularity will stay the same.

HAMBLETON AS A COMMUNITY - by J.Janik

Often, villages like Hambleton can lose a sense of community which is a shame. I received the vignette on Page 5 about Bert Howcroft and the Parish Council agreed it would be a lovely article to include, it serves as a reminder that we are all part of a longstanding community, whether you were born in Hambleton or whether you have moved your family to Hambleton and actually don't see much of it during the week because you are at work to ensure your family can enjoy the benefits of living in this lovely village. The author, wishes to remain anonymous and signs off only as 'exmedman'. I hope to have further interesting snippets about the village, past present and maybe even future to be able to share with you - in the next edition I hope to share a little about Hambletonian Addis Amicarella.

If you have written or want to write something about a Hambletonian past or present, or about an interesting event or a building in Hambleton, please get in touch. JJ.

NETWORK RAIL INFORMATION

On page 11 you will see a letter that Network Rail have sent to nearby residents and the Parish Council. The main bulk of the traffic to the Hambleton Junction development will be via the haul road, but this warns that there may be some site traffic arriving through the village.

NEXT PARISH COUNCIL MEETINGS:

- Thursday 13th February, 7pm @ Village Hall
- Thursday 12th March, 7pm @ Village Hall

The Agenda will be on the notice board in the village at least 3 days before the meeting. Members of the public are welcome.

SELBY DISTRICT COUNCIL NEWS: HAMBLETON VILLAGE**NEW RECYCLING SERVICE**

Information from www.selby.gov.uk/sorted-recycling-service

The way we collect your recycling is changing. You'll receive two new wheelie bins.

- The blue one is for glass, cans and plastic
- The brown one is for paper and cardboard

We're not changing the type of materials we collect. We're just changing the containers you put your recycling in so you have more room to recycle. This is in response to what you said about how you want the service to operate.

The new service starts at the end of March/beginning of April. Importantly we'll be delivering your new bins from Monday 20 January. We're delivering bins to over 40,000 homes, so it'll take us around ten weeks to complete all the deliveries **Please continue to use your existing boxes until the end of March/beginning of April.**

Leader of the Council, Cllr Mark Crane explained, "The existing system of separate recycling boxes was introduced because at the time there were no nearby recycling sorting plants that we could take this material straight to.

"We carried out a detailed review of the service, which included a major consultation that more than 6,700 residents took part in. We want to make sure our service is in line with the Government's long-term waste strategy – keeping paper and card separate to other recyclable material – which is why two new bins are needed. The new wheelie bin system will allow us to collect high quality material and will be easier for householders to use.

"Moving to wheelie bins will give nearly 50% more room to recycle and we hope that our residents will embrace the opportunity to boost their recycling."

Collection timetable remains the same. More information about the new service is available here - www.selby.gov.uk/welcome-our-recycling-and-waste-service.

We use a contractor to carry out waste collections. The current contract is with Amey Plc.

- What about the old boxes?

We know many of you will be able to reuse your boxes for example, for storage.

If you can't reuse them we'll be setting up 12 bring sites spread out across the district where residents can drop them off for recycling. The bring sites are yet to be confirmed - we'll update this page with the details as soon as it is confirmed.

We're also making alternative arrangements for those who might struggle to drop the boxes off at these sites - so residents who are on our assisted collections service will have their old boxes collected if they don't wish to keep them. If any resident feels this issue will cause them a problem, please get in touch with us by emailing info@selby.gov.uk or call: 01757 705101

- Access Problems

Sometimes, we may have problems emptying your bin. Outside factors such as parked cars or roadworks can create access difficulties and our vehicle may not be able to enter your road. Where this is the case, we will return to the area with the access problem twice within that day to try and empty the bins. Where access is still not available, we will try and return the next day. If access is still not available we will arrange an alternate collection.

HAMBLETON VILLAGE COMMUNITY FOCUS

The House on Back Lane

Albert came from Ricall and Blanche came from Monk Fryston. They met and married and lived in Monk Fryston for a short time before moving to Hambleton – to The house on Back Lane. There were only three very old houses on Back Lane at that time, none had names or numbers. The house in question is still very much in use at the corner of Back Lane and Station Road today. Albert and Blanche started to produce their family in Back Lane and managed to produce eight children. Charles Albert Howcroft (*who this vignette is about*) was number five – his siblings were in order of appearance – Les, Alf, Vi, Eddy, Edith, Audrey and Alec.

Charles Albert who has always been known as 'Bert' was born in 1923 and by the time you read this he will be 96 years old. He remembers during his young days roaming the wide open spaces and woodlands around Hambleton with his siblings. When Bert was five years old he started at Hambleton school and can recall with great detail these early days in his life. This building which was also used frequently for village dances and also as a church, is alas no more – it was demolished for houses not too long ago. Bert left junior school in Hambleton when he reached eleven and went to Flaxley Road school in Selby. His family then moved to Chapel Street to a house with more rooms and large gardens. Bert remembers this house in Chapel Street with great affection.

He left Selby School at fourteen and worked with his father who was a joiner in Brayton. When he was seventeen the war was well under way and Bert joined the local *home guard*, he remembers clearly patrolling the area with his rifle and bayonet and doing night time plane spotting on the Hough. If planes were spotted, the information about numbers and types was sent by radio to Leeds to give advance warning of possible raids. He recalls it being all very exciting for a very young man. At eighteen as expected Bert was called up to serve in the army. He spent time in North Africa and can recall in much detail most of his experiences there. He then moved *with the war* to Italy and can recall again in great detail his time there also. It was while serving in Italy that Bert met the young Italian lady 'Concetta' who would later become his wife. Concetta, known as Tina, joined Bert in Hambleton after the war – they were married in Hambleton church and lived in Chapel Street – in a home built for returning ex-service men. Their marriage produced five children. Kevin, Jenny, Bobby, Gerard and Ann Marie, who all survive. Tina sadly died fifteen years ago and is buried in Hambleton cemetery.

Bert now lives alone in Church Close but is very well looked after and enjoys listening to music, watching television and talking. His short term memory is not too good these days but he has disclosed things to me from his past, especially during his war years in Italy that I am sworn to secrecy about...

I'm sure you would all like to send 96 year old Bert your best wishes and I sincerely hope I can add to this vignette when Bert reaches his century...

Written by 'exmedman' under the critical eye of my dear friend Bert.

HAMBLETON VILLAGE

The Station Road Breakfast Club

Less than a gentlemen's club but more than grumpy old men

We men meet on the 1st Tuesday of each month at 8.30am at Lumby Nursery for breakfast.

Our meetings are informal and are enjoyed by those who come. If you would like to join us for breakfast and a chat, with no agenda hidden or otherwise, please Contact David Brown on 01757 228750 or at breakfastlumby@yahoo.com.

Ties are optional. Cost for cooked breakfast £7 [now includes gratuity]. Booking is necessary so we can tell Lumby.

**Hambleton Toddler Group**

Newborn - 4/5yrs

9:15 till 11:15 every

Wednesday @

Hambleton Village Hall

£2.50 per family (first session free)

Come along meet new friends. Everyone welcome, mummies, daddies, grandparents and childminders. This is a chance to grab a hot brew and meet new people.

Its a fantastic opportunity for little ones to make new friends. and play in a safe friendly environment.

We have lot of lovely toys to play with and crafts to make and take home. We have snack time and song time. Come along and join in the fun.

Visit the Facebook page to see what's happening each week. @ Hambleton Toddler Group

NEWS FROM THE CHAPEL

Christmas at the Chapel has been very busy and we have been so pleased with the turn out to our various services. The Christmas Tree Festival at the beginning of December was just magical. We had a great selection of beautiful trees decorated by different village organisations. We are so grateful to you all for all your hard work. Chapel looked amazing. We opened for two afternoons for viewing and had a couple of stalls. It was not really a fund raising venture but we still made £200. Many thanks to everyone who attended, dressed trees or helped with the weekend.

Nativity Messy Church was a delight. We had a teddy nativity where the story was acted out by a very mixed bag of teddy bears thanks to the skills of Cathryn and Jessica. Who knew a couple of the shepherds were lions and Mary was a hedgehog?! Thanks to Lydia we sang a carol to the tune of 'Is this the way to Amarillo?', decorated snowmen biscuits and made cards and Christmas tree decorations. A good time was had by all.

Our Carol Service was lovely and I counted 28 people in the congregation which was very positive. So good to see full pews!

There will be no service in Chapel on Sunday 23rd February as we are joining our friends at Burn Chapel at 10am.

Our next Messy Church is on Sunday 29th March at 10.30am. Bring your little ones along to join in the messy fun.

If you would like to join us any Sunday morning you will be made very welcome. We meet at 10.30am.

We are a very informal group that meets in the Chapel on a Thursday morning from 8.45 until 10.30am during Term Time.

Parents with babies or pre school children are welcome to drop in for a cup of Tea, a slice of Toast and a chat with the others. Grandparents are also very welcome. The children can play with the large selection of toys and join in the other activities like singing or story time. They all seem to have great fun. There is NO CHARGE. It is a great way to make new friends. The ladies at Tea & Toast are a very friendly bunch. And if you don't have any children you are still welcome to pop in for a chat and a cuppa. Everyone is welcome. **Come along and give us a try! Just pop in!**

VILLAGE HALL EVENTS

Monk Fryston School of Dance
December 2019

Aladdin : Hambleton Players December 2019

Dance Elite LC
December 2019

NEWS FROM THE VILLAGE HALL

Another busy festive period!! We just LOVE this panoramic photo (much better in colour online) look how many of you came along!! Fantastic!!

A record breaking collection from Carols on the Green, thank you so much for coming along to join in the festivities! MASSIVE THANKS TO Andrew Pearce for the PA system and music, Ellie Jordan & Hambleton Players for bringing their best singing voices, Hambleton Parish Council for the donation towards mince pies and mulled wine, Marcus Grundy for printing the carol sheets, Rev. Anna Burr for the festive blessings and The Millingtons for use of their electricity again! We raised almost £500!!! Maybe that can be the target for next year?!?!

Breakfast with Santa went really well, a special Thank You to Santa for stopping by for the morning! We hope all the children enjoyed their crafts, breakfast and meeting the Man himself! Thank you to all our volunteers, Caroline Priestman for selling tickets and collecting generous breakfast donations from Morrisons and Sainsburys plus doing the food shop just before going on her holiday, Chris Janik for decorating the Grotto and making breakfast baps all morning and Sarah Beighton and Annabel Hey for crafting and staying to tidy up after the mayhem. Also, after we got an 'Elf Down' emergency, Karen Snalliw and Lucy Cranham stepped in to help with crafts while Sally Whittell helped Santa give out presents and Victoria Sanderson made sure you all got your hot drinks and sandwiches. It got the thumbs up from Leo (5) who also helped decorate the grotto.

There were lots of shows on over Christmas, Players presented another fantastic pantomime, Aladdin, and we had Dance shows galore, such huge talent in this village! See the pictures on page 8!

Upcoming events will be on Facebook and in the notice board!! Apologies to anyone trying to contact us via the Hall mobile - currently having issues with it so text 07860871523 for enquiries or message Juvina on Messenger.

Thanks everyone for your support and remember to get in touch if you want to get involved!!

HAMBLETON VILLAGE

**REG CHARITY NO.
515770**

There is available space on the Age UK shopping bus service from Hambleton.

The driver picks up older people from Hambleton on a WEDNESDAY MORNING and escorts them to either Tesco or Morrison's supermarkets in Selby to enable them to do a weekly shop. The cost is £5.

**TO RESERVE A SEAT ON THE BUS
PLEASE CONTACT JULIE ANN JONES ON
01757 704115**

The Wednesday Club

A club for ladies of all ages who meet on the last Wednesday of each month at 1930 in the Village Hall. We have a varied program but it always involves a cup of tea or coffee and biscuits!

Forth coming meetings:

- 29th January AGM
- 26th February Talk about meditation
- 25th March To be decided at the AGM

Suggestions for future activities will be gratefully received.

Please come and join us ladies.

For more information contact Celia on 01757 228649

Hambleton History Lives!

We are still waiting to hear if our grant applications have been successful to enable us to undertake geophysical surveys to look for Hambleton's Hidden History. This would provide the opportunity for residents of all ages to participate in the various aspects of this search.

We also continue to collect and add data to the website so would love to hear from you if you have any information or would like to be involved in any of the research.

The next open meeting in the Village Hall will be in April so once the date is confirmed look out for advertisements and come to hear the latest news and see more exhibitions of photographs and documents. Hope to see you there.

For more information contact Celia

Dear Neighbour,

East Coast Main Line Power Supply Upgrade – Hambleton Junction

I am writing to inform you that Network Rail is planning work in your area as part of a wider project to upgrade the East Coast Main Line. The proposed work will involve the construction of a new electricity substation and Static Frequency Converter (SFC) compound at Hambleton Junction (post code YO8 9HZ).

Works are set to commence from the **27 January 2020**. Initial deliveries to allow the site set up and construction of the haul road to the north of the site will be made during the hours of 7:00 and 17:00 along Scalm Lane, or via an alternative route off the A63. Deliveries will be managed around school drop off and pick up time to not coincide with these busier periods. There will be no parking up of large machinery within the village.

We understand that working close to and travelling through your village is far from ideal. Unfortunately, the equipment required to carry out the construction will mean disturbance is unavoidable, but we will make every effort to minimise any unnecessary disruption. Furthermore, those working are briefed on working responsibly in the local community.

if you have any immediate questions or concerns, please visit www.networkrail.co.uk or telephone our **24-Hour National Helpline on 03457 11 41 41**.

Yours faithfully

Denise Thompson

NEWS FROM ST. MARY'S CHURCH

St Mary's Church

Happy New Year!

Following the rush of Christmas, I think we all heave a bit of a sigh of relief when it comes to the start of a New Year – unless we've embarked on ambitious New Year's Resolutions, of course! I am seeing signs of new life in our garden with snowdrops and the very first primroses appearing despite the miserable weather, there is hope for spring!

The world seems to be a very insecure place at the moment with changes beginning to our relationship with our closest neighbours in Europe, changes to the way our Royal Family operates, tensions in the Middle East and on-going environmental disasters in Australia, and many other parts of the world. Change is always unsettling, but for Christians we have the assurance that, even though things may change around us, God's love and faithfulness do not change, and we can grow in confidence that he is with us and longs for us to experience the security of a close relationship with him.

As well as our regular pattern of services, to which everyone is always welcome (see below), we will have some special events in church in the next few weeks. Lent is still an important time of year for many people – who wouldn't benefit from giving up something we know is a bad habit? Ash Wednesday – the day after Pancake Day (Shrove Tuesday) is the start of Lent, so why not begin Lent this year with our special service at 11.00am on Ash Wednesday.

All through Lent there will be an opportunity to meet with Christians from both Hambleton Methodist Chapel and St Mary's Church each Monday evening at 7.30pm beginning on March 2nd to explore new areas of faith and to enjoy fellowship. These meetings will take place in the Methodist Chapel.

Mothering Sunday (Mothers' Day) falls on March 22nd and, as well as a service of Holy Communion at 9.15, we will have a special Family Church in the afternoon at 3.30 in St Mary's Church where we will celebrate the love and commitment of those who care for us and, as well as tea and cake, there will be a small gift for those who look after us.

Sunday March 29th is Pentecost or Whit Sunday and we will have a celebration service in St Mary's at 9.15am.

Services for February – March 2020 will be as follows:

1st February	10.30am	Coffee Morning
2nd February	9.15am	Holy Communion (BCP)
9th February	9.15am	Holy Communion
16th February	3.30pm	Family Church
23rd February	9.15am	Holy Communion
26th February	11.00am	Ash Wednesday Service
1st March	9.15am	Holy Communion (BCP)
2nd March	7.30pm	Lent Meeting at Hambleton Methodist Chapel
7th March	10.30am	Coffee Morning
8th March	9.15am	Holy Communion
9th March	7.30pm	Lent Meeting at Hambleton Methodist Chapel
15th March	3.30pm	Family Church
16th March	7.30pm	Lent Meeting at Hambleton Methodist Chapel
22nd March	9.15am	Holy Communion
	3.30pm	Mothering Sunday
23rd March	7.30pm	Lent Meeting at Hambleton Methodist Chapel
29th March	9.15am	Holy Communion for Pentecost (Whit Sunday)
30th March	7.30pm	Lent Meeting at Hambleton Methodist Chapel

Our Normal Service Times

1st Sunday	9.15 am	Holy Communion using the Book of Common Prayer
2nd Sunday	9.15 am	Holy Communion with hymns using contemporary language.
3rd Sunday	3.30 pm	Café Church and Special Events
4th Sunday	9.15 am	Holy Communion with hymns using contemporary language.
5th Sunday		Service as published

Those who are interested in Baptisms please contact Anna on 270325 to ask when services can be arranged.
