The new NHS COVID-19 app, now available to download for free in England and Wales, is the fastest way to see if you're at risk from coronavirus. The faster you know, the quicker you can alert and protect your loved ones and community.

The app has a number of tools to protect you, including contact tracing, local area alerts and venue check-in. It uses proven technology from Apple and Google, designed to protect every user's privacy.

STAY SAFE
IN NORTH YORKSHIRE

Test and Trace.

northyorks.gov.uk/TestAndTrace

Play your part and save lives in North Yorkshire. Thank you!

CORONAVIRUS UPDATE

On 22nd September the Government announced new measures to suppress the virus following numerous outbreaks, including a sharp increase in infections in the Selby District. Now, more than ever, we must take extra care as we go about our daily lives.

No more than 6 people should meet socially. This is now a law. For details and exceptions, refer to [gov.uk coronavirus outbreak FAQs what you can and cant do](https://gov.uk/coronavirus/outbreak-faqs-what-you-can-and-cant-do)

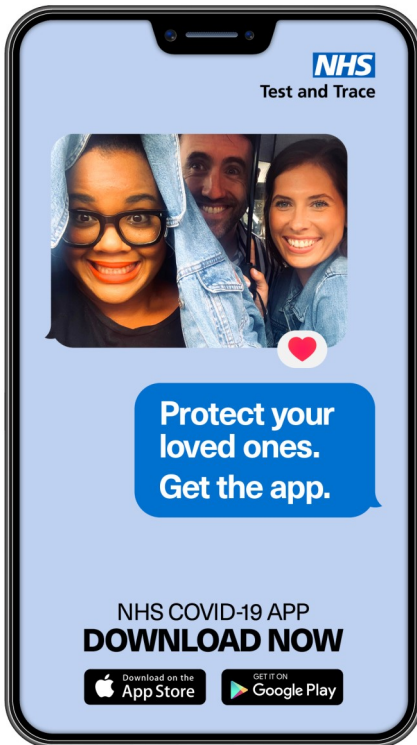

North Yorkshire County Council have implemented an [Outbreak Plan](#) and support the use of the NHS Test and Trace programme and App.

Please download the NHS Test and Trace App - this will allow you to check in to public venues such as the local pub hassle free via the QR code scanner - it will also give you risk alerts by postcode, a symptom checker and test booking facility.

Many people are asymptomatic and do not know they have the virus, they will carry on as normal, infecting people along the way. Be considerate, you may be one of these people, follow the advice: Wash your hands - Wear a mask - Give people space.

Book a test: <https://www.northyorks.gov.uk/book-coronavirus-covid-19-test>

People who don't have access to the internet, or who have difficulty with the digital portals, can ring the 119 service to book their test.

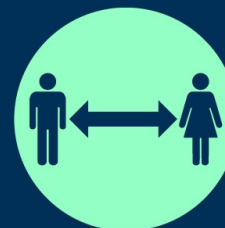

We must keep on protecting each other.

PARISH COUNCIL NEWS

These pages will give you an update on what the Parish Council have been dealing with and any issues that have been brought to our attention. Parish Council Meetings are held every second Thursday of the month, please check the Notice Board or website www.hambleton-pc.gov.uk for the most recent Minutes. An Agenda for the next meeting will be posted 3 days in advance of the meeting on the Notice Board.

MAIN ROAD A63

Following a meeting with NYCC, locations and styles for the Parish Council's Vehicle Activated Signs (VAS) have been given permission and the Parish Council is pleased to be able to provide an updated and improved alternative to the Temporary signs that are currently installed by NYCC. The new signs (right) incorporate more up to date technology and have an alternating Slow Down safety message and a bright LED output, they will also capture data that can be submitted to the police. The signs can be moved between different locations along the main road, helping to avoid them becoming part of the background scenery.

As expected, discussions are ongoing with Highways regarding a potential pedestrian crossing; the Parish Council will be able to update the village as progress is made.

Hambleton A63 Road Safety group have installed two signs on the Village Green in accordance with NYCC regulations and we all hope this signage along with the new VAS will remind drivers to check their speed through the village. The group are also registering as a Community Speed Watch group which will be a fantastic benefit to the village. If you would like to volunteer a little time on this front, please do get in touch.

Above L-R: Scott Conor, Paul Ingledew, David Kirven

REMEMBRANCE SERVICE

Councillor David Brown, in conjunction with the Church, is discussing plans for a Remembrance Service this year. Last year saw a gathering at the War Memorial on the Village Green and laying of wreaths. This year, the restrictions on social gatherings are likely to affect the way the service is carried out, plans will be announced in due course.

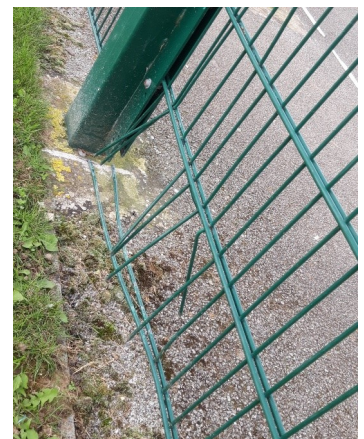

CORONAVIRUS

Thank you for continuing to adhere to the restrictions. They are in place to make the space safer for everyone to enjoy. Please see page 4 for information on the current restrictions and guidance.

VANDALISM: RECREATION AREA

After a scheduled maintenance check, various items of equipment at the Park and Recreation Area have been repaired. The check also highlighted some damage to the Multi Use Games Area (MUGA) at the recreation field that was unfortunately thought to have been done deliberately. This picture shows how panels are being kicked to leave dangerous spikes protruding from the fencing, something the inspector had never seen happen before.

Because of tight safety regulations, there is no way to partially replace these panels as there is no safe way to cover over the gap left. What seems a relatively minor amount of damage means each full panel will need to be replaced - a cost of around £3000. The Parish Council feels that this area is important to our village and will have to use precept funds that could have been utilised on other projects. The replacements will be carried out following the installation of CCTV at the Recreation Area. The Parish Council is exploring ways of improving the facilities at the recreation ground.

MARKING REMEMBRANCE DAY AMID THE PANDEMIC

Remembrance Day 2020 is likely to be very different to past years, but we shouldn't allow coronavirus to prevent us recognising and celebrating our veterans. That's why we are offering gift boxes to older ex-servicemen and women in North Yorkshire. Funded by the Armed Forces Covenant Fund Trust, boxes will include a collection of Yorkshire-themed items, including biscuits and teabags, as well as commemorative items from the Royal British Legion's Poppypshop.

The packs are **free of charge** and will be delivered in early November, arriving in time for Remembrance Sunday. (Packs are suitable for both men and women.)

To be eligible for a pack,

veterans must:

- be aged 65 or over;
- have served in HM Armed Forces (including National Service) or have seen active service as part of the Merchant Navy;
- live in one of the North Yorkshire districts (i.e. Craven, Hambleton, Harrogate, Richmondshire, Ryedale, Scarborough or Selby).

If you meet the above criteria, or you know an older veteran who does, please see more information

on communityfirstyorkshire.org.uk,

email exforces@communityfirstyorkshire.org.uk

or call us on **01904 704177**.

There are 150 boxes available and they will be distributed on a first come first serve basis, while stocks last, max 1 per household.

Deadline for applications is 18 October 2020.

WHAT3WORDS

Being able to give your precise location in an emergency can save vital time and lives.

What3words is now used by 80% emergency services in the UK. Their system has given every 3m square in the world a unique identifier made of three words, making the location of any incident very easy to describe and share...

For example `///tortoises.swarm.announce` will take you to a precise location on Ben Nevis where, in February 2020, a group of hikers were rescued.

The system can also be used to locate rural crime such as Fly-Tipping and Anti-Social Behaviour, or incidents with organisations like National Grid, Network Rail or the Environment Agency.

Download the free App to make sure you are prepared
#KnowExactlyWhere

HAMBLETON ISOLATION HELP GROUP

The latest Government Guidance issued 22nd September includes:

Wash hands regularly for at least 20 seconds

H.i.H.G.

Cover your face in enclosed spaces, hospitality venues when not seated, public transport including taxis, although the NYLRF suggest that while infections in a particular area are increasing that they are worn when you leave the house. Try not to share a car with someone who is not from your household or social bubble.

Stay 2 metres apart where possible, or 1 metre with extra precautions in place.

Rule of 6, groups of people should be no more than six. Children are included in the group of 6 in England.

We are delighted to say that our registered volunteers are still helping people...

If you are isolating, whatever your age, and need help with shopping, collection from the Selby Food Bank or collecting prescriptions just ring one of the numbers below and we will put you in contact with a volunteer. Your details will only be shared with the volunteer and you will be told which volunteer will be contacting you.

If you have had a positive COVID 19 test please tell the person you phone so that the volunteer is aware before they contact you. No information about you or your request for help will be posted on Facebook or any public internet page.

Celia: 01757 228649

Emma: 07947 462 121

Jessica: 07769 266 618

Katie: 07759 520 227

Executive committee: 07944 695 756

For people with access to the internet here are some sources of **information and advice**:

- The NHS web page <https://www.nhs.uk/conditions/coronavirus-covid-19/> contains information about various aspects of the virus.
- <https://www.northyorks.gov.uk/coronavirus-advice-and-information> includes information about the changes to services
- <https://www.gov.uk/coronavirus>
- Hambleton Isolation Help Group Facebook page is still active and includes some of the items posted by Selby District AVS on their page, the information covers a variety of subjects.
- www.cyps.northyorks.gov.uk

Shopping

- Hambleton Stores: 01757 229000. Home delivery is available if you ring with your list and pay over the phone the items will be put together and delivered to you at home.
- Morrisons: they are reinstating the queuing system outside the shop.
- Sainsburys: continue to use a queuing system and monitor and manage the number of people in the shop
- Tesco: the priority hours for elderly and vulnerable posted on their website this week are 0900-1000 on Wednesday and Sunday at Portholme Road Store.
- Bert's Barrow: operating a click & collect and reinstating drive through shopping
- Brayton Farm Shop: open Tuesday to Saturday inclusive.

We are grateful to Hambleton Parish Council who continue to have information about COVID-19 and HiHG their Website.

Please stay safe as we start to go out and about.

HAMBLETON VILLAGE HALL

We are up and running, albeit slow and steady!

Thank you to Monk Fryston School of Dance, Jayne Hindmarsh Pilates, Vara Yoga, The Wednesday Club, Katie Louise School of Dance, the Hambleton Road Safety Action Steering Group and the private parties for sticking to the rules and continuing to keep the Hall a safe place to be. Unfortunately new rules have restricted our social groups again but our fitness and out of school activities groups are still able to continue.

We have lost our regular Saturday night booking for Whist groups unfortunately, with most of their members being in the vulnerable category and no sign of the situation becoming safe enough for them to risk meeting, they decided it would be sensible to discontinue the group. The members will certainly miss the social occasion, but we will certainly welcome them back should they ever want to host a one off event. With that regular income loss, the hall does now have Saturday nights available for classes or events.

On Saturday 21st November there will be a launch night for a new class "Clubbersize" by Soul Train Fitness... keep an eye on our Facebook page for more details!!

CURRENT VILLAGE HALL CONTROL MEASURES:

- **hand sanitiser dispensers** at the front door, in the kitchen and in the main hall.
- **sanitising spray and blue roll** to clean surfaces, touch points and equipment before and after use.
- smaller lidded pedal bins; we will need you to **empty the bins** you have used after your session into the large external bin.
- The external bin is now emptied weekly, and our cleaning contractors are paying specific attention to sanitising all the touch points such as switches and handles.
- Each group leader must have contact details of people attending their session for **NHS Test and Trace** purposes and management must have contact details for the group leader.
- Our **COVID -19 Risk Assessment** includes control measures your group can implement to reduce the risk of spreading the disease.

PLEASE NOTE: OUR CONTROL MEASURES MAY CHANGE AT SHORT NOTICE TO COMPLY WITH GOVERNMENT MEASURES

YOU CAN PROVISIONALLY BOOK THE HALL FOR EVENTS AT:

hallbookingonline.com/hambleton/

With the guidelines changing regularly, we understand if your event has to be cancelled because of this at last minute, there will be no charge. Feel free to drop us an email to discuss your requirements at: HambletonVH@outlook.com

Like Hambleton Village Hall on Facebook to see all the latest updates and event news

Hambleton Halloween Trail

...because 2020 hasn't been scary enough...

Saturday 31st October - from 5pm

NEWS FROM THE CHAPEL

Our very exciting piece of news is we saw our very first Service at Chapel on Sunday 6th September. After much work on a risk assessment and formulating an action plan we had an outside Church Council meeting and decided the time was right to resume worship. A cleaning team did excellent work preparing the building and all the relevant signs and procedures were put in place to make the Chapel a safe place to be. We have to wear face coverings, we can't sing, we have to be seated 2 meters apart but we are up and running and that is the main thing. It only happened because we all worked together and that makes us all feel proud. Sadly there is no news on when we can resume children's activities but we remain optimistic that it will happen sometime in the future.

Margaret is doing great work with our Facebook page. You can search for us at [@HambletonChapel](https://www.facebook.com/HambletonChapel) She will let you know what is going on.

We were all very sad to hear that Pam Gill a very loyal congregation member passed away in August. Her late husband Barry was a loyal member also. She was a lovely, clever, funny lady and we will miss her so much.

Please see below a list of our services until the end of November:

13th Sep.	Service at Burn Chapel 10am
20th Sep.	Service at Hambleton 10.30am
27th Sep.	Service at Hambleton 10.30am. Harvest Festival
4th Oct.	Service at Hambleton 10.30am
11th Oct.	Service at Burn Chapel 10am
18th Oct.	Service at Sherburn 10.45am
25th Oct.	Service at Hambleton 10.30am
1st. Nov.	Service at Hambleton 10.30am
8th. Nov.	Service at Burn Chapel 10am
15th Nov.	Service at Hambleton 10.30am
22nd Nov	Service at Burn Chapel 10am
29th Nov.	Service at Hambleton 10.30 am.

We continue to think of you all in the village and pray for a swift and safe return to some form of normality.

**Very Best Wishes,
Everyone at Chapel**

HAMBLETON HISTORY, RESEARCH AND ARCHIVES ASSOCIATION

Hambleton History Research & Archive Association

History of Hostelries in Hambleton

The oldest public houses in Hambleton were the Wheatsheaf and the Red Lion. The earliest reference found so far for both the Wheatsheaf and the Red Lion is in an Extract from History, Directory & Gazetteer of Yorkshire, 1822 when John Palframan was the victualler of the Wheat Sheaf and John Potter of the Red Lion.

As well as the pubs in 1837 there was at least one beerhouse in the village run by James Bleasby. In 1870 the local policeman gave evidence against a William Bleasby who had allowed beer to be drunk after 10p.m. The Beerhouse Act in 1830 enabled people to apply for a licence to sell beer in their house and removed the tax on beer. Beer drinking was encouraged as spirit drinking, in particular gin, was believed to lead to drunkenness and detrimental to the working classes. The Act also extended the open houses of licenced premises to 4a.m. to 10p.m.

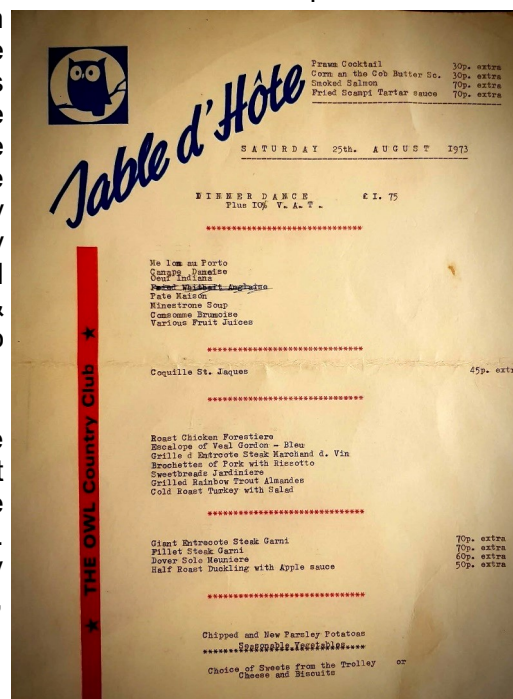

The Red Lion (top left) was also described as an Hotel. The Goole Times in July 1896 reported that the Hambleton Lodge of the Good Shepherds met for their Annual Club Walk at the Red Lion Inn and later in the day they met in their club room for a meal provided by the landlord Walter Bowman for upward of 100 people. Once the business meeting was over they held a dance. In 1890 the Red Lion Inn with outbuildings, granary and cottage was sold for £770. Property sales were also held in the Red Lion.

The picture of the Wheatsheaf (below left) was taken between 1921 and 1923 when Henry Redman (the name over the door in the photo) and his wife Eileen Jane were listed as living there during that time. The Wheatsheaf also acted as more than a public house at times as in 1853 the inquest to the two railway men killed in the crash just outside Hambleton Station was held there. The Wheatsheaf was the first pub in the village to have electricity which was provided by the generator owned by Chilvers & Palframan and used to run the mill.

The Owl was not opened until 1937 when H. Seller licensee of The Wheatsheaf, owned by Stanley Whittaker Tinsdale, applied for a licence at Hambleton House to be called "Owl" Country Club although in some advertisements in the late 1930s it was described as "Owl" Roadhouse. During its life as a country club many stars of the time including Teddy Johnson & Pearl Carr performed there. They held numerous dinner dances, the one on 25th August, 1973 would have cost £1.75 plus 10% VAT.

NEWS FROM ST. MARY'S CHURCH

St Mary's Church

As I write St Mary's is open for worship every Sunday and we are planning ahead for at least some of our usual Autumn services. Clearly things are just not the same this year, but we are doing our best to make sure we can meet safely and celebrate important events together. Before we re-opened St Mary's we had the church building deep-cleaned professionally and we have systems in place to enable people to feel as confident as possible when they come to church.

I would like to say a big thank you to everyone who made our services during the lockdown possible both online and through DVD recordings.

If you would like to book a Christening, we are able to offer services on the 1st Sunday of the month for a limited number of people. Phone Rev Anna Burr on 270325 to discuss opportunities. We are also taking bookings for weddings, but as with everything, we can't know for certain how the pandemic and the restrictions it necessitates, will affect us. Funeral services are also possible, and we are able to accommodate more mourners than either York or Pontefract Crematoria.

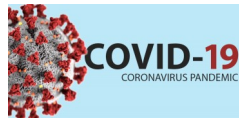

Looking ahead here is what we have planned:

November 1st All Saint's Day. There will be a service at 3.30pm during which we will remember those we have lost. Because of limited seating we will prioritise those who have lost loved ones in the last 2 years. Linda Ingall will be sending out booking forms to those eligible.

We are planning to hold a **Remembrance Day service at 9.15am on November 8th in Church**. Please come promptly to be sure of a seat, once all available seats have been allocated we will not be able to admit extra people.

Because of the current restrictions and the rapidly changing advice we have not made firm plans for our Christmas celebrations. Please look at our website www.stmaryshambleton.org for up to date information, or look at our notice board which is updated regularly, or give us a ring on 270325 (Rev Anna) 228380 David Ingall (Church Warden)

We hope to welcome you to St Mary's.

The following words have been a constant help to generations of people, and I pray that they will give us all strength and peace as we face this crisis together:

God is our refuge and strength, an ever-present help in trouble.² Therefore we will not fear, though the earth give way and the mountains fall into the heart of the sea. Ps 46:1,2

Up to date information can usually be found on Facebook: www.facebook.com/stmaryshambleton and on our Website: <http://www.stmaryshambleton.org.uk>

Vicar: Revd Anna Burr 270325

Churchwarden: David Ingall 228380
