## HAMBLETON PARISH COUNCIL

**Community Forum - Annual Parish Meeting**

Following the challenging last year, we have reflected and decided, that as a Parish Council, we would like to ask you, as the community we serve:

**“What is important to you and  
what is your vision for our community in the future?”**

**Join us to share your thoughts: Thursday 22nd April, 2021 at 7pm**

Join Zoom Meeting: <https://us02web.zoom.us/j/83340185127?pwd=cIN4cTcyMHk1ZHFaMWxFRXF2bWlwQT09>

Meeting ID: 833 4018 5127

Passcode: 709920

The last year has demonstrated the importance of having good infrastructure, services and support. Historically, parish councils are very reactive, we think this is the time to look at how we can be proactive and improve the infrastructure, services and support in our community, but we can't do it without your help. The aim is to tailor our future work to deliver your priorities, either as a parish council or by encouraging and supporting other groups, individuals or organisations to assist. To do this, we need evidence to support our work and potentially attract new investment and funding opportunities to our community.

Over the next few months, we will be asking for your thoughts. **It is important that we involve everybody.** We want to make sure we get the views of older residents, younger residents, disabled residents as well as everyone else. The Annual Parish Meeting on the 22nd April is the first of several opportunities over the next few months to help shape the future of our village. We look forward to hearing your thoughts over the coming months.

Please follow the Hambleton Parish Council Facebook page for updates over the coming months and the most up to date information:

**PREFERRED OPTIONS CONSULTATION**

An Extra Ordinary meeting was held on Wednesday 3rd March for Councillors to discuss and finalise a response to the Selby District Council 'Preferred Options' consultation document. The document sets out the preferred locations identified for development of the District, including residential and employment sites. Plans to address associated issues including protecting Green Belt, the Rural Economy, areas of Local Interest and the redevelopment of Town Centres were also included in the document for consultation.

Thank you to the residents who attended the meeting and shared their thoughts with the PC. The PC response took all the comments into account.

The PC submitted a response which will be available on the Selby District Council site in the near future.

**AGM**

The Parish Council AGM will be held on 20th May at 6.30pm, it will be followed by the Ordinary Meeting of the PC for May. As indoor gatherings will still be limited to 6 people at this point, the PC will advise on the meeting arrangements nearer the time.

**NEW COUNCILLOR**

The Parish Council is pleased to welcome new member Maria Ferris; Councillor Ferris will be bringing a strong knowledge of risk management and Health and Safety as well as a great enthusiasm for improving the village for all its residents.

**FACEBOOK**

Please note that issues and concerns you think need to be brought to the Parish Council need to be reported directly to the Clerk preferably by Email or the Website contact form, also by the Parish Council Facebook page. The 'Hambleton Village Page (Selby, North Yorks)' is not managed or monitored by the PC.

## PARISH COUNCIL NEWS

These pages will give you an update on what the Parish Council have been dealing with and any issues that have been brought to our attention. Parish Council Meetings are held every second Thursday of the month, please check the Notice Board or website [www.hambleton-pc.gov.uk](http://www.hambleton-pc.gov.uk) for the most recent Minutes. An Agenda for the next meeting will be posted 3 days in advance of the meeting on the Notice Board.

### **PC-OWNED HOUGH**

Following the concerns raised about waste sighted at the Hough, the Parish Council wish to thank you for your patience whilst investigations are ongoing. It has been in touch with the Environment Agency, the District Council and various other parties about the matter.

Selby District Council have registered the site as medium-low priority with action to inspect the site being required in the medium to long term.

It is now clear that the identified waste is NOT ON THE PATH in the Hough and therefore members of the public (and the people or animals they are responsible for), will not be at risk if they stay on the path. The Parish Council wishes to re-open the area as soon as possible - but in order to do this safely it must be clear that some areas will be off-limits to the public. Arrangements are being put in place to erect a suitable demarcation line.

Photo: Parish Council Hough

Once this task is completed the path will be reopened. By staying on the established path, the public, flora and fauna will be protected.

Thank you for your understanding; safety must be everyone's priority and this potential hazard must be dealt with appropriately.

**Clean it up!**  
Maximum penalty £1000

### **DOG FOULING**

The PC are looking at strategies to deal with the few individuals who are not picking up their dog's mess around the village.

It is an offence, it is a health hazard and it is disgusting. The District Council can, and do, prosecute offenders.

**Please be vigilant and report details of offenders - time of day, location/direction of travel, breed and colour of dog, colour of lead, description of the dog walker.**

You can report information directly to SDC:

[www.selby.gov.uk/dog-fouling](http://www.selby.gov.uk/dog-fouling)

or to the PC Clerk: [info@hambleton-pc.gov.uk](mailto:info@hambleton-pc.gov.uk)

**HAMBLETON ISOLATION HELP GROUP****Hambleton Isolation Help Group**

**We are delighted to say that our registered volunteers are still helping people with shopping and collecting prescriptions during this latest lockdown. We are also happy to have a chat if you are feeling very lonely. The numbers to call for help are:**

**Celia: 01757 228649****Emma: 07947 462 121****Jessica: 07769 266 618****Katie: 07759 520 227****The Government guidance is still to:**

- ◇ Wash hands regularly for at least 20 seconds
- ◇ Cover your face in enclosed spaces.
- ◇ Stay 2 metres apart where possible, or 1 metre with extra precautions in place.

The Government Road Map out of Lockdown includes 4 steps which will be taken if the data indicates it is safe to do so. The first step initiated changes on 8th March and 29th March which allowed schools to open and from 29th March gatherings of either 6 people or 2 households can meet outside including in peoples gardens. The information below was taken from [www.gov.uk](http://www.gov.uk) on 24th March.

**Step 2 not before 12th April**

- Opening of non-essential retail outlets
- Personal care premises such as hairdressers and hair dressers can open
- Public buildings, including libraries and community centres open
- Indoor leisure facilities like gyms open but you can only mix in your household
- Outdoor attractions can open including zoos, theme parks etc
- Hospitality venues can serve people seated outside and it is no longer necessary to buy a substantial meal to serve alcohol.
- 30 people may attend a funeral and the number able to attend weddings and wakes will rise to 15.

**Step 3 not before 17th May**

- The Government are looking to ease some restrictions on seeing family and friends and hope to update the advice on social distancing between them including hugging by Step 3.
- Most legal restrictions on meeting others outdoors will be lifted but it will remain illegal to have gatherings of over 30 people.
- The rule of 6 or 2 households will apply for meeting indoors.

**Step 4 not before 21st June**

- The government hopes to be able to remove all legal limits on social contact.

**Local Shopping**

- Hambleton Stores—01757 229000. Home delivery is available if you ring with your list and pay over the phone the items will be put together and delivered to you at home.
- Bert's Barrow are operating a click & collect shopping
- Brayton Farm Shop open Tuesday to Saturday inclusive.

NEWS FROM THE CHAPEL

**W**ell we certainly have better news this month than we did last month! We were advised by the Circuit not to hold any services in March which we fully understood but the great news is we are permitted to start worship again in Chapel in April. It will be under the same restricted circumstances such a socially distanced seating, face masks, no singing and doors open for ventilation but it is the start we need and hopefully things will improve with time.

We were asked to host a Maundy Thursday service for our area of the circuit on 1st April at 3pm. We are joining our friends at Burn Chapel on Easter Sunday at 10am 4th April. We will then start worship in our own chapel on Sunday 11th April.

We must say a big thank you to the cleaning team who actually volunteered to go in before we reopened to spruce the place up after its long period of not being in use. It is looking very smart.

Our services are as follows. All at 10.30am at Hambleton:

11th April F. Fenton  
18th April Mrs Lonsdale  
25th April Rev. C Gillespie  
2nd May Mr N Currey  
9th May Rev. K Marshall  
16th May Mrs Reed  
23rd May Service at Burn 10am  
30th May Local Arrangement

We are very eager to get things back to some sort of normality. More of the congregation have had their first vaccination and many their second. We continue to pray for everyone in the village and the situation in general.

Very best wishes,  
Everyone at Hambleton Chapel

## HAMBLETON VILLAGE HALL

**F**rom April 12th we should be able to open for children's activities again!! We are really looking forward to having the hall busy again. We have lost some groups along the way but we really hope to be able to get some more regular classes using the hall as soon as we can.

We hope you enjoy our Easter event! Hambleton in Stitches have knitted some cute little egg covers and residents have paid £1 to have them delivered on Easter weekend - we are also running a raffle at £1 a ticket. We have 2 gorgeous bunnies who will be delivering the eggs and drawing the raffle!!

## HAMBLETON HISTORY, RESEARCH AND ARCHIVES ASSOCIATION

Hambleton History Research &amp; Archive Association

**Religion in Hambleton**

The first record of the need for a Church or Chapel in Hambleton found so far was the concern expressed by the Abbot of Selby that the villagers of Hamelton (Hambleton) and Gayteford (Gateforth) were at a disadvantage having to travel to Brayton Church. Permission was granted for a chantry dedicated to the blessed Virgin Mary in Hambleton which was completed by 15th October, 1292. The site of this Church at present remains a mystery. Research is underway and if eventually we are able to undertake the Geophysics project the question may be answered.

St Mary's Hambleton was built by public subscription as a 'chapel of ease' which means a church other than the parish church which was at that time St Wilfred's of Brayton. The major donor was Mr. W. T. Smith, who lived in Hambleton House, now the Owl, who started the church building fund with a donation of £1,000. He also purchased the land, opposite the then school, from Lord Lonsborough.

The Church was designed by Gothic Revival architect John Loughborough Pearson who designed many churches including Beverley Minster and Truro Cathedral. English Heritage consider St Mary's to be one of his better 'cheap churches'. The Church cost £2,012 1s 9d to build and was Consecrated at 1045 on Saturday 22nd April, 1882 by the Archbishop of York.

The first Chapel, as far as we know, was the 'Old Chapel' the date it was built is unclear. There is evidence that the building was enlarged in 1816. The land for the Wesleyan School Room was purchased in 1876 and the building filled the whole plot so opened onto the High Road running from Gateforth to Hambleton, now called Chapel Street. The door was eventually bricked up and the place where it was can still be seen. The door is now at the back of the building.

On 8th September, 1899 the Selby Times reported that a new Chapel was to be built in Hambleton. The land, south of the School Room, was purchased for the New Chapel. The foundation stone was laid on 7th September, 1899 and the opening ceremony held on 13th July, 1990. The cost of the new Chapel was in the region of £1,350. ## NEWS FROM ST. MARY'S CHURCH

**St Mary's Church**

*As I write, it is almost exactly a year since the start of the first Lockdown. So much has happened since then. All our lives have been changed by the restrictions placed upon us by the pandemic and some of us will have experienced the effects of the illness, either in our close family or in our community. It has been a very difficult time for so many of us, not least because of the isolation we have had to live through. Sometimes coming to church can give a bit of space to reflect on our experiences, away from home and all the distractions we all find when we are surrounded by little (or big) jobs that need doing!*

*Following the Government's new Road Map for recovery, we are pleased to say that St Mary's Church is open once more for public worship, subject to a very careful risk assessment. This limits the number of people we can allow in church, but it helps to keep everyone safe. Everyone coming to a service must wear a face covering at all times and to use hand sanitiser as they enter and leave the building. Social distancing is required and we are ensuring good ventilation, **so a warm coat is advisable.***

***Baptism** services are now possible, subject to reduced numbers and by arrangement. Currently we are operating attendance by pre booking and this will continue for all services until after Easter. From Easter we will keep the situation under review. We will be able to offer **weddings** from April 12th with up to 15 guests, and from May 17th with 30 guests, subject to the Road Map proceeding as currently planned. From June 27th, it is hoped that all restrictions will be lifted.*

*We have made a small change to our service times, and we hope this will make it easier for some to attend, as we will have a later start to our Morning Service on the 4th Sunday each month. This service will be an All Age Holy Communion service beginning at 11.00am, and will be suitable for all age groups.*

*Our services from April will be as follows:*

*April 1st Maundy Thursday 11.00am. A short service of Holy Communion with reflection in St Mary's Church.*

*April 2nd Good Friday - A meditation for Good Friday This will be available online and recorded DVDs will also be available on request. This is to allow for quarantine between services.*

*April 4th 9.15 am - A service of Holy Communion (Common Worship) for Easter Day*

*April 11th 9.15am - Holy Communion (Common Worship)*

*April 18th 3.30pm - Family Church*

*April 25th 11.00am - Family Holy Communion*

*May 2nd 9.15am - Holy Communion (Book of Common Prayer)*

*May 9th 9.15am - Holy Communion (Common Worship)*

*May 16th 3.30pm - Family Church*

*May 23rd 11.00am - Family Holy Communion for Pentecost*

*May 30th Rogation (delayed to allow for 30 people to be together outside) Please look out for further details on our website and notice board.*

*June 6th 9.15am - Holy Communion (BCP)*
