PARISH COUNCIL NEWS

THE 1ST ANNUAL HAMBLETON LIGHTS

The Parish Council are proud to be able to add a little Christmas cheer after such a difficult couple of years. We had a countdown and switch on celebration on Saturday 27th November at 6pm. As mentioned on the night by the Chairman, if Lockdown has taught us anything it is that people need other people and that sharing company brings people joy. We hoped you enjoyed the Hambleton Lights event, next year we will aim for bigger and better. Thank you to Leo (7) for being the first person to switch the lights on!! Eventually, we would like a Resident's Committee to take charge of the Lights and the running of the Hambleton Lights event - if you think you have the time to get involved with this project, please get in touch: info@hambleton-pc.gov.uk

Thank you to all those who contributed to the donation buckets for the Children's Society during Hambleton we raised **£47.28**. Each year the school children at Hambleton make a Christingle, pictured right are Annabelle and Cameron with their Christingles. It is a symbol of hope for young people and their futures. Money raised goes to the Children's Society who provide specialist support that empowers young people in this country to make positive changes and rediscover their Hope. **Please see the article on Page 10 and visit www.childrenssociety.org.uk for more information.**

20'S PLENTY CAMPAIGN

20's Plenty is a national organisation that campaigns for a 20mph speed limit in place of existing 30mph limits. The North Yorkshire branch of 20's Plenty is hoping that if enough Parish and Town Councils support the campaign, then North Yorkshire County Council will change their policy to allow the much wider implementation of 20mph in our communities as has happened in so many other areas of the country.

Philip Allott, the previous North Yorkshire Police, Fire and Crime Commissioner, commented that he will "support and implement 20mph in urban locations, where local authorities are prepared to support it" and we hope the new Commissioner Zoe Metcalfe will support the campaign also.

Hambleton Parish Councillors have voiced support for the campaign and will formally vote on the motion to support the campaign at the next Parish Council meeting on 15th December.

You can find out more about the 20's Plenty for North Yorkshire campaign via ActionNetwork.org and sign up for updates here: <https://actionnetwork.org/forms/20s-plenty-campaign>

PARISH COUNCIL NEWS

These pages will give you an update on what the Parish Council have been dealing with and any issues that have been brought to our attention. Parish Council Meetings are held every second Thursday of the month, please check the Notice Board or website www.hambleton-pc.gov.uk for the most recent Minutes. An Agenda for the next meeting will be posted 3 days in advance of the meeting on the Notice Board.

REMEMBRANCE DAY

Thank you to all those who joined us at the War Memorial on 11th November for Remembrance Day. Jany's Cliff led a fitting service, complimented by a number of community groups laying wreaths and children from Hambleton Primary School reading a wonderful poem they had written. This event will always be an important part of the Hambleton Parish Council calendar, and we will endeavour to provide this opportunity for collective Remembrance every year. **Lest We Forget.**

PARK AND RECREATION AREA COMMITTEE

Following the last update in the October/November issue, we can now confirm that the Committee are in the process of having steps installed at the entrances of the cabins to make access for the teams easier. The replacement panels for the MUGA are ordered and we are awaiting a start date for the work to be carried out. We are also looking into the possibility of boarding around the lower level of the MUGA Fencing, this could provide an opportunity for sponsorship by local businesses. If you have a business that could carry out this sort of work, please get in touch to discuss the options.

It was fantastic to see how busy the Recreation Area was recently, with an Under 10's football tournament and the MUGA in full use the car park was full to the brim.

Next year we will be hosting celebrations for the **Queen's Platinum Jubilee** in June on the Recreation Field. We hope this will be a fabulous community event and would like volunteers to help make the plans a reality, please contact the clerk to get involved: info@hambleton-pc.gov.uk We are looking to meet for an initial planning meeting w/c 6th December (details tbc) - if you would like to attend please contact the clerk.

NEWS FROM THE CHAPEL

News from Chapel

Things at Chapel are ticking over nicely as we get used to living with Covid restrictions. We are just getting on with it as best we can.

Tea and Toast is going from strength to strength. The ladies who run it say how busy they have been. Many thanks to Caroline for stepping in to help when they were a bit short of volunteers.

The Harvest Festival was delightful and we all stayed for a simple harvest lunch. It was so good to be together again and the chapel looked beautiful. We brought items for the food bank which seemed very fitting.

Our first attempt at resuming Messy Church in October was very well attended. We sang hymns, listened to a story and made fancy chocolate spread sandwiches. What was there not to like! It was fantastic to see full pews. Many thanks to Lydia for coming along and helping out.

We are going to try our first Coffee Morning on Saturday 4th December 10am to 11.30am. It will be a Christmas coffee morning with all the usual stalls but also mince pies. Any donations of raffle or tombola prizes would be much appreciated.

We are having a Nativity Messy Church on Sunday 12th December at 10.30am. Bring your little ones along to join in the Messy Nativity fun.

We are having a tradition Carol Service on Sunday 19th December at 10.30am. This will be taken by our minister **Rev. Christine Gillespie**. You are very welcome to join us. It really marks the beginning of Christmas.

There will be no service in Chapel on Christmas Day or Boxing Day.

To mark the week of Christian Unity we are having a short service on Wednesday 19th January at 12noon and this will be followed by a simple lunch in Chapel. Our friends from St. Mary's are joining us and you would be very welcome.

We continue to pray for you all in the village. You are very welcome to attend any services. There will always be room for you.

Very best wishes,

*Everyone at Hambleton

Dear Friends

Just a reminder that we had our annual Christingle making in our village school on the 26th November.

You will recall that this is a fundraiser for the Children's Society, an organisation that has supported and helps children who are homeless and find themselves on the streets. They fight for the hope and happiness of young people where it is threatened by abuse, exploitation and neglect. They support these young people for as long as it takes them to break free from their trauma.

Please give generously, every penny counts. Many candles will come home from school but if you would like to donate, ask me for an envelope, which are also available from church.

Last year we raised over £300, let's see if we can do that again.

Merry Christmas

David Brown Churchwarden

We continue our slow, but steady progress on the road to living with Covid-19, ever mindful of the safety precautions which may need to be taken.

We continue to ask that face coverings be worn when entering the church and moving around within it, but these may be removed when seated.

We have now resumed singing but still have no organist; however pre-recorded music is filling that gap.

We are keen to find an organist who may be willing to play at some Sunday Services and at Weddings, Christenings and Funerals as the need arises. SO, if you think you can help, or know of someone who could, do please get in touch!

Up to date information will be found on our Website:
www.stmaryshambleton.org.uk AND on our Church Notice Board
