PARISH COUNCIL NEWS

These pages will give you an update on what the Parish Council have been dealing with and any issues that have been brought to our attention. Parish Council Meetings are held every second Thursday of the month, please check the Notice Board or website www.hambleton-pc.gov.uk for the most recent Minutes. An Agenda for the next meeting will be posted 3 days in advance of the meeting on the Notice Board.

THE LATE BILLY SENIOR

The Parish Council learned of the very sad new that former Councillor Billy Senior had passed away. It extends its deepest sympathies to Billy's wife Hazel and the family. Billy gave a lot of time to the Parish Council and to the village; always willing to volunteer his time to help out, his efforts are very much appreciated and his contribution invaluable. Rest in peace Billy.

RECREATION AREA

The **resurfacing work for the car park** has been scheduled to start on Monday 7th February. Thank you to Core Groundworks who will be carrying out the work. As a local company, Core Groundworks have supported the Parish Council in various projects, including urgent temporary works to level the car park until the full resurfacing could take place. Their support is much appreciated and we have no doubts they will do fantastic job.

The work will mean the Recreation Area **car-park will be closed** for the duration - a pedestrian access will be set up and the field will be open but the work area, i.e. the car park, will be fenced off. Please avoid blocking Old Lane with cars during this time.

The **new MUGA fence panels** are being fitted at the end of January, action to reduce the mole hills is being taken (see below) and the PC is hoping to also get the cabin facilities a long overdue refurbishment in the near future - it really is looking to improve the facilities available for all users into the future.

MOLES

The PC is very aware of the mole issues around the village. The problem with moles is that they hunt where the soil is moist, full of worms and grubs, meaning that they disturb the surface, leaving mounds of soil dotted around a landscape. In general, moles have small home ranges and the animal will rarely stay in the same area for a longer period of time. Their activity in a particular area may only last one or two weeks until there's no more food to be found.

We are lucky enough to live in a beautiful rural setting, but it is also ideal for wildlife such as moles. The pest controller is making extra visits at the Cemetery and the Recreation Area where the mole hills can cause distress or be dangerous and a humane option of eradicating the moles is being employed at these locations.

20'S PLENTY

The national campaign suffered a blow when proposals for the blanket 20mph limit in built up areas was rejected, but the campaign continues and Hambleton Parish Council are proud to be supporting the campaign in North Yorkshire.

MUD ON ROAD

Again, due to our rural location, there will be times when the farmers' vehicles leave mud on the roads from harvesting the crops. This is unavoidable, especially in winter and the farmers do scrape up the majority. It can leave the road slippery, so please do take extra care.

NEWS FROM HAMBLETON JUNIORS FC

Hambleton Juniors are at the halfway point of their seasons and all the players are doing so well representing our village club. We want to take this opportunity to thank all the parents for their continued support and all the volunteers that allow our children to have a fun, safe environment to play in.

We are always welcoming of new players and currently have teams at U9, U10 and U14s. We are also looking for new age group teams but rely on new coaches and managers to make this happen. If you are interested please get in touch. The club offers lots of support for this really rewarding work.

HAMBLETON ISOLATION HELP GROUP

Hambleton Isolation Help Group

We are delighted to say that our registered volunteers are still helping people who are isolating for any reason and we will continue to do so until Easter despite the lifting of many restrictions.

From 27th January:

- You will no longer be required to wear a face covering, including in communal areas of schools.
- However the government suggest you wear one in crowded and indoor spaces where you are in contact with people you do not normal meet.

The changes that came in earlier in January include:

- Staff and pupils in secondary schools and colleges do not need to wear face covering in classrooms.
- You are no longer asked to work from home
- 16 and 17 year olds can book boosters or 12-15 year olds who are higher risk from COVID 19 or if they are living with someone who is high risk can also book a booster.

If you are isolating, whatever your age, and need help with shopping, collection from the Selby Food Bank or collecting prescriptions just ring one of the numbers below and we will put you in contact with a volunteer. Your details will only be shared with the volunteer. If you have had a positive COVID 19 test please tell the person you phone so that the volunteer is aware before they contact you.

Some of the phone coordinators are still working so you may need to leave a message but we will get back to you.

NEWS FROM THE CHAPEL

News from Chapel

New Covid-19 regulations now don't require the wearing of face coverings but we have decided at Chapel to still encourage the use of them to make sure we are all kept safe. We are a predominantly elderly congregation and some are still vulnerable. We will continue to make sure we have good ventilation when possible. We are permitted to sing and we don't need to socially distance. We have been following these rules and will probably continue to do so until we all feel more comfortable with the situation.

Christmas has been very well celebrated at Chapel. Our Christmas coffee morning was so well attended by village people and people from the wider Circuit. We were very encouraged by this and we raised about £250 which was wonderful. Many thanks to everyone who came and decorated Chapel. It looked very festive. Nativity Messy Church was great fun with the little ones and their parents enthusiastically joining in. We made sheep cupcakes, decorated stars and coloured Christmas cards. The Carol Service was lovely as was the coffee and mince pie we had afterwards.

Our Covenant Service will take place on Sunday 6th February taken by Rev. Christine Gillespie. We are having another Messy Church on Sunday 20th February at 10.30am. You are more than welcome to bring your little ones along to join in the Messy fun.

We continue to have several joint services with Burn Chapel and Sherburn Chapel and of course we still have our share of Local Arrangements where we have to do the service ourselves but we are doing our best.

One or two of our congregation members are not too well at the moment and we want them to know they are continually in our thoughts and prayers. We would like to wish everyone in the village a safe, and peaceful new year. We continue to pray for you and you are very welcome to attend any services.

Very best wishes,
Everyone at Hambleton Chapel

HAMBLETON HISTORY, RESEARCH & ARCHIVE ASSOCIATION

Hambleton History Research & Archive Association

The first two research sessions for the project Finding Hambleton's Hidden History will be held on:

5th February in the Village Hall, starting at 1400

5th March in the Village Hall at 1400

Dr Jon Kenny will give training in map regression and then work continue then start as we will be bringing the maps we already hold and on-line access to other maps.

There will also be opportunity to review the data we already hold and undertake further research through the books we have and on-line databases.

A grant request has been submitted by Cllr Chris Pearson to North Yorkshire, and we should know if or what we have been awarded in the near future. The Parish Council, who administer the Hambleton (Selby) Charitable Trust, kindly agreed to provide some funds for the project in September 2020 which has now been claimed as we are able to finally start the work.

If you would like to attend the session please contact us, either by phone on 01757 228649 or email celiahhraa@btinternet.com so that we can ensure we have sufficient equipment, and tea, coffee and biscuits.

We continue to collect photos and information to add to the website, this is now taking a little longer as there needs to be more research to get the information associated with the photos.

HAMBLETON VILLAGE HALL

So, as the Hambleton Village Hall Management Committee welcomes some new trustees - Sally Whittell & Karen Willans as joint secretaries, Gabrielle Dieudonne as bookings secretary and Nicola Dawes as Treasurer - the first events over the festive season have been a great success. It was lovely to see our hall thriving again!

We would like to say a massive **THANK YOU to SANTA** - who took time out of his busy schedule to visit and did a brilliant job at Breakfast with Santa and thank you to everyone who volunteered or attended and made it a successful event. We are already looking forward to next year!

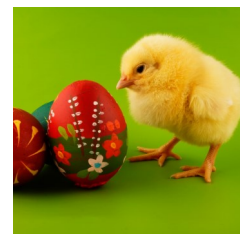

Also, a BIG thank you for all donations made at Carols on the Green on Christmas Eve. You raised £320 which will go towards the upkeep of the village hall.
