PARISH COUNCIL NEWS

These pages will give you an update on what the Parish Council have been dealing with and any issues that have been brought to our attention. Parish Council Meetings are held every second Thursday of the month, check the Notice Board for the most recent Minutes. The next meeting Agenda will be posted 3 days in advance of the meeting on the Notice Board.

Hambleton
Parish Council**RECREATION AREA CAR PARK**

There are a few drivers that use the Recreation Area and then, on exiting the car park, try to drift their car. Whilst we know this is not malicious, it is leaving large grooves in the gravel and that means the surface is very uneven for others to drive over and could eventually cause puddles to form - which was the whole point of having the surfacing done - to stop the puddles!

Matt from Core Groundworks has already been to rake the surface back (as a volunteer!) and the damage being caused is really disrespectful to all those people who worked to get this done in the first place - for the benefit of others.

We have CCTV of the offenders, but would like to avoid having to pay them a visit. If you, or someone you know, could be one of the stars of this footage, please show consideration for other users of the field and drive carefully in the car park.

If it continues the car park will simply get chained off so that only booked clubs can use it - we don't want to do that but the PC does not want to spend public money resurfacing again any time soon.

THANKS IN ADVANCE!!

HAMBLETON BABY AND TODDLER GROUP

Fantastic Jubilee Celebrations for Hambleton Baby and Toddler Group. Photo Credit:

A BIG thank you to everyone who supported The Hambleton Baby & Toddler Group's Jubilee celebration and fundraising event held in the village hall on the 1st June. It was a great morning with a magician, toys, a cake decorating competition, a bake sale, Jubilee crafts and lot of stalls. As an extra special treat for the occasion we also had a donation of strawberries and ice cream for the children's snack time! The event raised an amazing £376 for the group which couldn't have been done without donations of prizes, cakes and of course the attendance of those who came along. The money raised will make a huge difference to the groups fund for potential resources.

The children coloured pictures during the event which were then put up in the front window of the village hall for the weekend of Jubilee celebrations - we hope you saw them!

The Hambleton Baby & Toddler Group is held every Wednesday 9.30-11.15am during term time in the village hall and warmly welcomes all pre-school children and their grown-ups. It's £3 per session which includes toys to play with, crafts, a snack for the children, hot drinks for grown-ups and singing/dancing. No booking required.

HAMBLETON HISTORY, RESEARCH & ARCHIVE ASSOCIATION

Hambleton History Research & Archive Association

Thank you to everyone who came to the AGM and visited us at the Hambleton Gala.

Finding Hambleton's Hidden History

On **23rd July** we will be undertaking a geophysical survey on the village green, with kind permission of the Parish Council.

Why the Village Green? The 1850 map shows a school in that area so we will be looking to see if there is anything hidden below the grass. There is a story about the funding of the school on the website www.hhraa.org.

Why not come and take part and have a go at using the equipment?

We would love to see you but ask that you let us know if you wish to join us as numbers will to some extent be limited to make sure everyone can have a try.

To register your interest please either:

Email celiahhraa@btinternet.com or Phone 01757 228649

Children are welcome but those under 16 must be accompanied by an adult.

We will at some point be using a drone, with specialist software, to photograph various areas already identified by Historic England and other sites. Land owners will be asked for permission to overfly their land out of courtesy.

We continue to add information to the website, this is now taking a little longer as there needs to be more research to get the information associated with the photos.

NEWS FROM CHAPEL

We are very pleased to report Sunday Club has restarted at Chapel. **Margaret Glover** very kindly volunteered to run Sunday Club with the help of several of the Chapel ladies. It is held in the Sunday School building from 10.30 am to 11.30 am on a Sunday morning during term time. It's been wonderful seeing young people on a Sunday morning and we are very grateful to Margaret for her brilliant work.

Our March Mothers Day Messy Church was great fun. We decorated biscuits, made a Mothers Day card and decorated prayer flowers with our Mums names on. We will be having another Family Service on Sunday 3rd July at 10.30am so bring your little ones along to join in the fun.

We marked Easter at Chapel with a Good Friday village green service and an Easter Breakfast on Easter Sunday. Sadly due to that pesky virus our friends from Burn couldn't join us but the good news was we had extra hot cross buns and croissants!

Our May Coffee Morning was well attended and we **raised £172** which was fantastic. Many thanks to everyone who attended, donated prizes and cakes and helped on the morning. We are very blessed to have such good support from the village.

Tea and Toast is doing extremely well. The Tea and Toast mums are going to hold a **Bring and Buy Sale on Saturday 2nd July 10am to 11.30am** to raise funds for the group. There will be a toy sale, raffle, cake stall and refreshments. Please come along and support their efforts.

NEWS FROM ST. MARY'S CHURCH

Dear Friends,

The Revd Canon John Weetman and his team at Selby Abbey continue to support us. Our services, other than the first Sunday, are now in the afternoon at 3:30pm. Holy Communion on the first three Sundays. We seek to encourage families and all those with busy Sunday mornings by providing shorter and varied themed services together with the opportunity to take Communion. Indeed our afternoon services are proving to be more popular with the younger members of our community.

Our annual Rogation Sunday Service took place on the 29th May when we walked around the churchyard asking for blessing for our village, its inhabitants and indeed for every endeavour for the common good.

Baptisms, Funerals and Weddings can be arranged as required by contacting the Churchwarden on 01757 228553 or through the Church Website.

Our monthly coffee mornings have resumed and on the 4th June, the Jubilee weekend, we are not at the Village Hall because your Church will be open during parts of that day serving refreshments. You may not be aware " **that Saint Mary's Church was designed by one of the greatest British architects of the 19th Century.** " [Historic England Report No 26/2016] or that it is now Grade II listed. This is an opportunity to come and look inside and discover or rediscover your village church. A copy of the Historic England Report is available on our website.

Coffee Mornings will be '*business as usual*' in the Village Hall from July 2nd until Christmas.

Our Service times are as follows:

June:

Sunday 5th -	9.30am - Holy Communion [BCP]
Sunday 12th -	3.30pm - Family Communion
Sunday 19th -	3.30pm - Family Communion
Sunday 26th -	3.30pm - Family Prayer service

July:

Sunday 3rd -	9.30am - Holy Communion [BCP]
Sunday 10th -	3.30pm - Family Communion
Sunday 17th -	3.30pm - Family Communion
Sunday 24th -	3.30pm - Family Prayer service
Sunday 31st -	No Service [Services at Selby Abbey]

Please Note: The Church Noticeboard and Website will provide more information on forthcoming services and events.

TO ALL OUR STEWARDS AND SITE HELPERS, THANK YOU!

Nigel Croad - Our MC!! Thank you for being the frontman and telling everyone what was going on! As well as hanging bunting and doing the site prep!!

Helen Robertshaw - Our Bake Off Coordinator!! Planned and organised the whole competition AND presented the awards on stage, as well as arranging the plant sale by the Gardening Club to raise funds for Christmas Lights!

Adam Ford - Thank you for framing Hambleton School's Jubilee Artwork, and letting us use the van to fetch and carry tables etc!

Trevor Millington - Thank you for once again raising the Union Flag on the Village Green.

Gareth Beavors - Our Steward Co-ordinator!! He pulled a team together to oversee the car parking and access, as well as the litter bins, crowd control (necessary, see pic below!) and communications. He arranged the Fire Engine appearance, and turned up for 8am mat-laying duties on Saturday and 8am gazebo building duties on Sunday!! Much appreciated!!

Steward Team: Nik Howard, Ben Owens, Adam Deakin, Mike Wilson; Matt Pearson, who also coordinated delivery and collection of the ground mats and raked the car park gravel flat before the event. **Lee Lovell,** who collected all the gazebos from the school and stored them

until the event. And **Chris Janik** who also turned up for 8am mat laying, bunting-hanging duties and 8am gazebo building and also allowed his car to be used as a van!! Thank you also to **Jon White** who helped with the Gazebo jigsaw on Sunday.

Aspers - Band & Stage Management!!

Thank you for finding, booking and rebooking amazing bands, liaising with the Stage company, as well as storing, delivering and laying the site path, and organising road signs and cones! (And providing general moral support! JJ)

Janet Kellet and Fiona

Conor - Thank you both for taking on the Welly-Wang judging at last minute! And for the crowd control when it all got a bit competitive!!

Graham Millington, Chip Norton and Phil Spark!! They did the heavy lifting laying the ground mats on Saturday, attended the event and were the last to leave, and then returned at 8am on Monday morning to collect them all up again, leaving them on the pallets ready for collection!! Graham, thank you for organising the tractors too - they were a hit, of course!!

**EVENTS DON'T HAPPEN WITHOUT
AN ARMY OF VOLUNTEERS**

Our Sponsors, Community Clubs & Organisations THANK YOU!

The Red Lion! So glad The Red Lion made it to JAMbleton this year!! They also donated a Gallon of beer to the winners of Tug Of War (which hasn't yet taken place!!) We hope you enjoyed it and want to come back next year!!

The Owl! The Owl very generously donated 2 x £25 food vouchers for prizes and £100 which bought the trophies for the adults' competitions! Thank you so much for your sponsorship and support!!

Rainford Interiors!! Rainford kindly sponsored the Children's Bake off trophies - thank you for your support!

Roadway Traffic Management UK! Thank you for the FREE loan of your Road Closed signs.

Trust Electric Heating!! Trust agreed to pay for our Tug Of War rope, which turns

out was quite pricey!! When we can rearrange the competition, the 'Trust Tug of War' will take place! Get your teams together and your entries in!

The National Lottery Community Fund!! The Awards for All scheme gave us a massive grant of £9,980 - of which £3,480 was for the JAMbleton event; an event to reinvigorate our Community Spirit, bringing the village together. The remaining £6,500 will go towards a wheelchair accessible roundabout at Garth Drive Park, marking the Platinum Jubilee and supporting the PC's cohesive and inclusive community ideals for Hambleton.

Hambleton FC Juniors!! Right from the word go, Steve Richards said "Yes, I can sort a football activity for JAMbleton, no problem" and he did! Steve also loaned us the cones for the RC Car track. Both activities were popular with the crowds! Thank you!

Monk Fryston School Of Dance!! Wow, what an amazing performance that really pulled in the crowds! Real troopers for dancing in the worst of the weather without any shelter - your effort, skill and professionalism is really very much appreciated! Thank you team!!

Monk Fryston
School of Dance

Celia Barnes - Hambleton History, Research & Archives Association!

Amazing to have the history of Hambleton and its Galas for all to see at our first JAMbleton. Thank you for all your efforts bringing the display together and sharing it with everyone!! Best of luck for your next project.

Hambleton Gardening Club!! Thank you for fundraising for more Christmas Lights by planting, nurturing and selling your plants - what a fantastic idea!! Over £100 raised and gratefully received. Your support is very much appreciated!

Hambleton Methodist Chapel!! It was so lovely to see your activity table full all day!! The children really enjoyed making their crowns, thank you for supporting the event and volunteering your time.

Hambleton CE Primary School!! The students produced a fantastic piece of artwork to celebrate the Platinum Jubilee and we were able to display it at the entrance of JAMbleton. The school also arranged the collection of the FOHS gazebos for the event - thanks **Jamie Morrison** for the loan of them - much needed with the weather we ended up with!!

Councillor Chris Pearson's NYCC Locality Budget!! Councillor Pearson granted JAMbleton £2,110 which was very much appreciated as it paid for the all the Bands, the mat walkway, the portaloos, decorations and more! Thank you **NYCC** also for agreeing to close off Old Lane for the event. Thank you **Selby District Council** for granting the TEN licenses and arranging the delivery of bins and swift refuse collection after the event.

JAMBLETON: PLATINUM JUBILEE EDITION 2022

Well Hambleton, we cannot thank you enough! What a show of support for JAMbleton, it really made all the hard work worth it!! Despite the weather, we had over 850 people through the gates over the course of the day - and all the feedback so far suggests that everyone had a great time. We know we need more kids activities (sorry about the bouncy castle - we'll not use that company again!) and we'll have to rejig the layout for watching performances because of that sound tent, but otherwise, the feedback has been great.

The Tug of War didn't happen because one of our teams fell victim to Covid but on the day with the rain making the ground slippery it probably wouldn't have gone ahead anyway. There is a chance we will run this competition in August so get in touch if you want to enter a team!!

After being let down several times, Aspers secured an excellent line up! Local group **Natural Antagonist** opened the show with their version of Prodigy's 'Firestarter' and they gained some new fans who were dancing their hearts out. **The Facades** followed with some fantastic original music. Then **The Montagues** really attracted a crowd with a brilliant performance, the crowd loved it! Finally, **Tom Lumley and The Brave Liaison** did not disappoint as a headline act!! These guys are definitely going places, a great show! It was such a shame our headliners had a smaller crowd to play to! A change in timings next year, and less rain, might help with that!

We must thank Jonathan from **Technical Stage Services Ltd** who arranged the whole stage set up, and liaised with Aspers about the bands' technical specifications - very professional, knowledgeable and organised.

Thank you to our fabulous food and drink vendors! **Stod Fold** from Halifax with their delicious wood fired oven pizzas and craft ales, **Latin Fusion** with their gorgeous Greek wraps with a twist, not forgetting our very own **Red Lion** who also donated a Gallon of beer to the Tug of War winners (saved for when the competition finally runs!) Unfortunately the Ice Cream van who was booked didn't think it was worth setting up in the rain! Next time we'll look at other food and drink options too - including hot drinks and sweet treats - thankfully at last minute the Red Lion were able to step in and offer tea and coffee this year, and the Bake-off tent were able to sell their competition entries!

It would be good to hear your thoughts and suggestions for next year AND if you want to be one of the army of volunteers, you will be very welcome:

info@hambleton-pc.gov.uk !!
