PARISH COUNCIL NEWS

MANOR FARM DEVELOPER DROP-IN SESSION

Many thanks to those who attended the Drop In session to pose their questions to Hallam Land Management and Johnson Mowatt regarding plans to build on land at Manor Farm.

Thank you also to those who also attended the PC meeting on Thursday 21st July. The PC took on attendees views and will be making an objection based mainly on the following points:

- The proposed development is outside of the Development Limits for the village of Hambleton
- The site proposed for development is not identified as a Preferred Option in the Selby District Council New Local Plan and SDC has enough sites in its preferred options to fulfil the targets set by central government
- Unsustainable development: The proposed development would lead to Overdevelopment of the village, with a severe lack of facilities and amenities for such numbers. With little opportunity for work in the village and a lack of public transport which is seeing further cuts, housing in this area will only promote more cars on the roads as residents use the most convenient way to commute
- Traffic Generation and Highway Safety: The proposed access for ALL vehicles belonging to the new homes will be onto Chapel Street, at its narrowest point and the narrowest section of footpath, opposite the Chapel itself. The Chapel has no car park and this section of road is used on both sides for parking by visitors to the Chapel
- Inadequate sewerage and drainage: Yorkshire Water states that 'Surface Water management has not been properly considered'. The proposal to install a pool to accommodate surface water is not sufficient and the land borders Mill Lane which already has existing surface water drainage issues

It is **very important** that your letter is your own; if 10 carbon copies of this list will count as only one objection - pick some from the list, add your own, use your own words and explain things in your own way. If you can back it up with reasons why it contravenes National Planning Policy Framework or the Selby Local Plan that is even better!

PLEASE NOTE:

The layout plan submitted by the developer is for illustration purposes only - it is NOT a formal proposal for where they plan to build houses. This application is for OUTLINE permission - permission for the land to be developed as a residential site, the details of the type of houses, specific number of houses, layout and landscaping will come later, if this initial permission to build is given. Therefore, objecting to houses over shadowing your property or being too close is not a significant issue at this time.

The PC is objecting to the fundamental idea that this land should be used for a residential development.

PARISH COUNCIL NEWS

These pages will give you an update on what the Parish Council have been dealing with and any issues that have been brought to our attention. Parish Council Meetings are held every second Thursday of the month, check the Notice Board for the most recent Minutes. The next meeting Agenda will be posted 3 days in advance of the meeting on the Notice Board.

Hambleton
Parish Council**INCLUSIVITY AT GARTH DRIVE PARK**

The Parish Council wants to promote a cohesive and inclusive village community; it was the basis for the JAMbleton event and the PC feels it is important that everyone has the opportunity to be included. To this end, phase one of creating a more inclusive Play Area for our village is now complete! Special thanks to The National Lottery Community Fund for a donation of £6.5k towards this phase of development as part of the Hambleton Platinum Jubilee celebration.

Phase 2 will see the installation of a path linking the play areas with the picnic benches and future phases hope to provide new tactile activity boards, sensory planting and a swing which is more inclusive. As with all these things, the PC are applying for funding wherever possible. **Thank you to Evan (our cover model this edition) and Louise (Evan's mum) for testing out the equipment!**

**CHRISTMAS LIGHTS COMMITTEE**

Please still come forward if you want to have a hand in organising this annual village project! You will be part of a Committee that will take the lead in fundraising for more lights and organising the switch-on event each

year. The event was very well received last year, but we need your help to make this a successful annual event.

UNAUTHORISED ENCAMPMENT

The PC is aware that there was a lot of conversation about the travellers on the Recreation Area recently. This field is Private Land, not Council property. The PC were able to employ bailiffs to serve a notice to leave, and ultimately evict those occupying the land, under Common Law. There was no evidence for the police to evict under Section 61-62 Criminal Justice and Public Order Act 1994, and the Local Authority (SDC) could have gone through the courts to evict, but this would have taken much longer. The group left the field the same night as receiving the notice to leave from the bailiffs, and what little rubbish that had been left was already bagged up. The PC would like to thank the Police and the SDC Enforcement Team for assisting with the situation in a timely manner.

**COUNCILLOR VACANCIES**

Hambleton Parish Council has TWO Councillor Vacancies. If you want to join a team of people looking to improve the village and create a

pleasant community to live amongst and be part of, please contact the clerk.

A NEW COUNCIL TAX REDUCTION SCHEME FOR THE NEW NORTH YORKSHIRE COUNCIL

By law, the new unitary council must introduce a single Council Tax Reduction Scheme to cover the whole of the North Yorkshire Area, rather than the individual schemes currently operating in the existing seven districts and boroughs. The proposal is to introduce an income based scheme with maximum reduction for those most in need... **This will not affect Pension Age Households but it will affect Working Age Households who will get Council Tax Reduction from 1/4/23.**

To find out more, please visit www.northyorks.gov.uk/CouncilTaxReduction Have your say **before** 18th September 2022.

HAMBLETON HISTORY, RESEARCH & ARCHIVES ASSOCIATION

Finding Hambleton's Hidden History

On 23rd July we had a talk from Jon Kenny, the archaeologist working with us, and then went to the Village Green. The green was divided in two 20 meter areas which were then sub-divide to provide guidelines to follow when undertaking the survey.

The electrical resistive geophysics equipment recorded data provided through two prongs which, because it was so dry, had to be inserted into the ground. Because of the condition of the ground the data collected had some gaps but provided some information relating to the smithy which was on the Green and demolished in 1950. However because progress was so slow surveying the first area it was decided not to attempt the second.

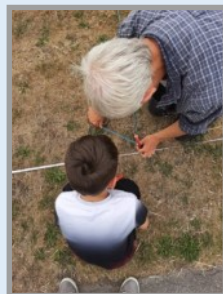

**We will be surveying again on:
10th September, 2022**

If you would like to take part and have a go using the equipment. We would love to see you but ask that you let us know if you wish to join us as numbers will to some extent be limited to make sure everyone can have a try.

To register your interest please either:

Email: celiahhraa@btinternet.com

Phone: 01757 228649

Children are welcome but those under 16 must be accompanied by an adult.

We will at some point be using a drone, with specialist software, to photograph various areas already identified by Historic England and other sites. Land owners will be asked for permission to overfly their land out of courtesy.

We continue to add information to the website, this is now taking a little longer as there needs to be more research to get the information associated with the photos.

NEWS FROM CHAPEL

The ladies at Tea and Toast would like to say a huge thank you to everyone who contributed toys and clothes for their July Bring and Buy Sale. The response was amazing. They also want to thank everyone who came to the sale and an extra big thank you to all who helped out on the morning. It was a huge success and about £750 was raised for Tea and Toast and Chapel funds. **Tea and Toast is always very lively every Thursday morning during term time.**

Everyone at Chapel would like to say a massive thank you to Margaret and her helpers who set up an amazing tent with a very busy activity table at the village Platinum Jubilee celebrations. The children made spectacular crowns and it seemed they had people looking around all day. Very well done! Margaret continues to do **Sunday Club at 10.30am during term time.** It must be great fun as the children never seem to want to go home!

We had a very well attended Messy Church service at the beginning of July. Many thanks to Christine Sumpner for leading the service. We had a brilliant play involving many animals, we decorated buns and made a basket to put them in as well as writing prayers for people all over the world who need our help.

We don't have many Baptisms at Chapel so it was extra special to have one in July involving two little ones. Rev. Christine Gillespie did a wonderful service which

included pass the parcel, Simon Says, and a craft table making party hats. We all had such an uplifting morning and we wish all the very best to the family involved. We will be having our **Harvest Festival service on Sunday 18th September at 10.30am** followed by a simple Harvest lunch. The service will be taken by our minister Rev. C. Gillespie and you are very welcome to join us.

Services for September October and November

4th Sep. Local Arrangement
11th Sep. Service at Burn at 10am
18th Sep. Harvest Festival 10.30am Rev. C Gillespie
25th Sep. Local Arrangement
2nd Oct. Mrs J Gaitley
9th Oct. Service at Burn at 10am
16th Oct. Local Arrangement
23rd Oct. Rev. C Gillespie Holy Communion
30th Oct. Service at Sherburn in Elmet 10.45am
6th Nov. Mrs L Harrison
13th Nov. Service at Burn Remembrance Sunday 10am
20th Nov. Local Arrangement
27th Nov. Mrs A Reed

We continue to pray for you all in the village and you would be made very welcome if you wished to join us any Sunday morning at 10.30am

Very best wishes,

Everyone at Hambleton Chapel

ANIMAL AID TO UKRAINE

There have been many stories of our community joining together to get support to Ukraine, whether that be fundraising, making donations, driving supplies across to those in need or welcoming a displaced family into your home. Hambleton is a very generous and caring community that has people who will offer their help in whatever situation.

One Hambleton resident, Stuart Davison, has already made several trips to deliver aid supplies to the people of Ukraine and is planning a final trip which will see 5 tonnes of animal feed delivered with the help of two Ukraine Charities "[Help Ukraine Horses](#)" and the "[Equus Caballus Rescue Foundation \(ECRF\)](#)" who have seen a big increase in the number of applications for aid requesting horse feed. Having witnessed heart-breaking scenes during his recent visits, Stuart will travel with his friend Mitch, who owns a horsebox, and together they will get the feed to where it is needed most AND they will also assist with the evacuation of a number of horses to safety. The date for this final trip is set for October 2022.

You can read about Stuart's previous trips to Ukraine here: <https://www.transportresearchspecialists.co.uk/>

In the run up to the trip, Stuart needs help to get together as much **Dog, Cat and Horse** feed as possible
Please, your help is vital

Bags of food can be **dropped off** with Stuart directly, but if it is more convenient, you can donate towards the purchase of food via the **Just Giving** page:

https://www.justgiving.com/crowdfunding/hopeforanimals?utm_id=1&utm_term=e4ENYyV8K

**To organise a drop off of any Animal Feed, please get in touch with Stuart -
MOBILE: 07359 026 456 or EMAIL: stuart@transportresearchspecialists.co.uk**

**The Wednesday Club**

The club for ladies of any age meets on the last Wednesday of the month at **1330 in the Village Hall** apart from December when the meeting is a Christmas Lunch at a local restaurant.

The next two meetings are:

- 31st August - Social afternoon with tea, coffee and chat.
- 28th September - Quiz

If you would like to know more about the club please contact Celia on 228649

Hambleton

Baby & toddler
group

0-5 Years

The Hambleton Baby & Toddler Group is held every Wednesday 9.30-11.15am during term time in the village hall and warmly welcomes all pre-school children and their grown-ups.

It's £3 per session which includes toys to play with, crafts, a snack for the children, hot drinks for grown-ups and singing/dancing. No booking required.

For further information see our Facebook group: "Hambleton Baby and Toddler Group (YO8 9HS)" or contact Emma - 07469209391

NEWS FROM ST. MARY'S CHURCH

Dear Friends,

The Revd. Canon John Weetman and his team at Selby Abbey continue to support us.

Our services, other than the first Sunday, are in the afternoon at 3:30pm. Holy Communion on the first three Sundays. We seek to encourage families and all those with busy Sunday mornings by providing shorter and varied themed services together with the opportunity to take Communion. Our afternoon services are proving to be popular.

It was our pleasure to welcome the children from Hambleton School for their Leavers' Service in July and to hear of their wonderful achievements over their time at the school. They were all presented with their Leavers Certificates together with a gift from the church.

Our 3:30pm 4th Sunday Service continues to be very successful and after the last service, acknowledging National tell an old joke day brought a lot of joy. We cannot be sure whether that was the jokes or the chocolate cake!

We look forward to the Village Scarecrow Festival in September which coincides with our Harvest Festival on Sunday 25th with Scarecrows in Church and the prize giving.

We have now decided to hold our first Saturday monthly coffee mornings in church. Many who came in June commented what a nice church St Mary's is. We want to continue that opportunity for people to come and look inside and discover or rediscover what a treasure the church truly is in the Village. Some may not be aware "that Saint Mary's Church was designed by one of the greatest British architects of the 19th Century." [Historic England Report No 26/2016]. It is now Grade II listed. We need the help of the whole village if we are to be able to maintain it and ensure it continues to be available for worship, funerals, baptisms, and weddings for future generations. A copy of the Historic England Report is available on our website.

Baptisms, Funerals and Weddings can be arranged as required by contacting the Churchwarden on 01757 228553 or through the Church Website.

Our Service times are as follows [for August please see Church Notice Board];

September:

Sunday 4th - 9.30am - Holy Communion [BCP]
Sunday 11th - 3.30pm - Family Communion
Sunday 18th - 3.30pm - Family Communion
Sunday 25th - 3.30pm - Harvest Festival

October:

Sunday 2nd - 9.30am - Holy Communion [BCP]
Sunday 9th - 3.30pm - Family Communion
Sunday 16th - 3.30pm - Family Communion
Sunday 23rd - 3.30pm - Family Prayer service
Sunday 30th - No Service [Services at Selby Abbey]

Please Note: The Church Noticeboard and Website <http://www.stmaryshambleton.org.uk> will provide more information on forthcoming services and events.

OUR VILLAGE

Hambleton Independence Help Group

We are delighted to say **HiHG** registered volunteers will continue to offer help to village residents whether the need arises from Covid, which is still with us, or any other reason.

We can help with shopping, collection from Selby Food Bank or collecting prescriptions. We may, in exceptional circumstances, be able to offer help to get you to a hospital or doctors appointment but this will be dependent on the availability of a volunteer at the required time.

If you need help ring one of the numbers below and we will put you in contact with a volunteer. Your details will only be shared with the volunteer.

If you have had a positive COVID test please tell the person you phone so that the volunteer is aware before they contact you.

Some of the phone coordinators are still working so you may need to leave a message but we will get back to you.
