A STEP CLOSER TO A SAFE PLACE TO CROSS

In 2020, the Parish Council applied to the AJ1 fund; this was money raised by the sale of the historic AJ1 vehicle registration, the first number plate used in the North Riding of Yorkshire, by the Police, Fire and Crime Commissioner. To be eligible for funding, projects had to be Community based and Road Safety focussed.

The Hambleton PC application was to help fund a pedestrian crossing in Hambleton to give people a safer place to cross the A63. The application was successful and the PC was awarded the maximum amount of £20k. Unfortunately, NYCC refused permission to install a crossing. This refusal was fought for several years, with various reasons being given for why a crossing was not appropriate. An investigation is ongoing and the PC has no intention of giving up on getting a pedestrian crossing for Hambleton.

The deadline for spending the AJ1 fund was fast approaching (31st March 2023), and as a pedestrian crossing was no nearer being approved, it was decided that rather than lose the funding, it should be spent on another Road Safety project in Hambleton.

Working with NYCC and the AJ1 Panel frantically over the last few months, the Parish Council has been able to secure approval for the funding to be used to install a much improved pedestrian refuge which will be 1.9m wide!

Finally, a space big enough to fit a pedestrian pushing a wheelchair or a pram; a safer place to cross with your toddler and their bike; or cross with your dogs. It will replace one of the existing traffic islands outside the Red Lion and the size of it might also encourage drivers to slow down too, as the road will be narrower.

This is not what the PC ideally wanted, but it is the closest we could get at this time and it will provide a safer location to cross the A63, which is exactly what the PC wanted to be able to offer.

Enormous thanks goes to Nicole Hutchinson from the Commissioning and Partnership Services for North Yorkshire Police, Fire and Crime Commissioner who has been a great help and had endless patience.

As mentioned, the PC will continue to advocate for a pedestrian crossing. For now, it will focus on ensuring the pedestrian refuge scheme progresses as it should via North Yorkshire Council. Updates will be given on Facebook and in the newsletter.

NEWS FROM HAMBLETON FC

Exciting times ahead for the football club!

Hambleton Juniors are delighted to announce the merger of the clubs Monk Fryston United and Hambleton Juniors in order that we can continue to effectively meet the footballing needs of the village as well as surrounding areas.

Since August 2022, we have been in discussion, identifying ways to effectively grow footballing provisions and share facilities, resources and personnel and during these discussions it became apparent there was a real cohesion in our philosophy of what junior football should look like...in essence; respecting our fellow competitors and officials, the importance of teamwork, having pride in what we are doing, being inclusive to all and above everything else, having fun! Seeing that we are so aligned as clubs, we felt it was a great opportunity for us to come together as one, under one joint Committee to become the go-to place for inclusive football.

This will naturally start with junior football, but with more resources, more helpers and more facilities, our aim is that over time, we can expand our open age offering beyond the

existing Monk Fryston ladies team to meet any interest including an under 23's, inclusive mens team, veterans, walking and disability football.

Monk Fryston United

The merged club will be known as Monk Fryston United and will have over 20 teams playing in the Selby, York and Garforth Leagues with teams from U6 to under 16s as well girls football and a women's team playing in a beginners league.

The club will train and play at Hambleton Recreation Ground and Stocking Lane, Hillam so residents of Hambleton should see a much busier ground on evenings and weekends. As we bring the clubs together we are in the process of creating a new club kit and badge that represents both clubs. The kit has been designed by the children and will be unveiled over the summer

What does all this mean?

Ultimately the merger means that there will be more opportunities for children and adults from the village to play football and ensures that there is a strong club that can grow and continue to offer football in the community for many years to come.

If you have any questions about the merger or if you want to know more about the club including playing, volunteering or sponsorship opportunities then please don't hesitate to get in touch with Steve Richards srichards228@gmail.com

HAMBLETON PLAYERS

During May, Hambleton Player's performed their summer show 'The Best Man' to sell out audiences most nights.

The play was set in London's East End in the summer of 1981 and told the story of Cathy Price, a hairdresser and lover of romantic fiction who is looking for Dagenham's answer to Mr Darcy. Had she found him in her new boyfriend, Tony Wickham? Her gran didn't think so. She's always preferred Danny, the boy next door. It turns out Danny had always loved Cathy, he just never knew how to tell her. As the best man at their wedding, he just can't stand by and watch Cathy make the biggest mistake of her life.

This was an incredibly funny musical comedy written by Ian Cook and Ian Newton. Hambleton Players first started rehearsing this show back in spring 2020 and we all know what happened next. So, the show was put on hold and the committee decided to revisit it this year. And what a show it was! Fiona Conor, the Producer and Director at Hambleton Players had a great vision for this show. Supported by Ellie

Jordan, Musical Director and Fiona Collins, Assistant Director, the vision was transformed into a spectacular show with both cast and crew feeling it was the best one yet!

This show brought some new faces to the stage too from among our very talented villagers. Rhiannon Morgan had numerous cameos, including the ABC reporter who opened the show every night. Paul Ingledew played two very different characters in the henchman Mr Temple and Tracey, the Reverend – both wonderfully

different and brilliantly portrayed by Paul, he even managed some super quick changes between the two characters in the final scene. Steve Metcalfe also joined the cast with his daughter Molly and both brought the stage to life with their massive amounts of energy and incredible smiles. Newcomer Hayden Lee played an excellent henchman's sidekick and brought lots of ideas and energy to the show. Along with

Molly, the Players Family welcomed another new junior cast member, Stanley Birkett, who follows in the footsteps of his mum, a previous cast member, and is a great addition to the junior chorus.

The feedback for this show has been **phenomenal** and to end on the Saturday night with a standing ovation made all the many months of hard work that goes into these productions all worthwhile:

"I haven't laughed as much in a long, long time"

"A fantastic night out"

"such attention to detail, such enthusiasm, such costumes, set and lighting"

"...there really wasn't much amateur about the show at all"

"so good I could not stop laughing!"

"What an amazing show..... my sides are still aching from laughing so much"

"it was lovely mix of musical comedy drama – a most delightful experience"

It was also a privilege to have Ian Cook and Ian Newton, who between them wrote the play and the music, in the audience for the Saturday VIP night. Ian Cook said he "loved every minute of it"

So what next for Hambleton Players – First a well earned break over summer and then it's the panto of course..... oh yes it is!

This year it will be Snow White so keep your diaries free for the first week in December, you don't want miss out on what promises to be another fantastic performance by Hambleton Players.

If anyone is wanting to get involved, we are looking for people to help backstage with set building and props, or front of house during performances or someone to help run the kitchen during rehearsals and keep the cast refreshed! Anyone who can sew is also welcome to help out the wardrobe department too. Get in touch with Fiona Conor or one of the current cast or crew if you are interested.

NEWS FROM CHAPEL

News from Chapel

Things have been fairly busy at Chapel over the past week or two. Our Easter celebrations went very well. The Good Friday Village Green Service was well attended and the weather was kind to us. Many thanks to Mr Millington for putting up the cross. We had a wonderful Easter Sunday service at Burn follows by a hot cross bun breakfast and even a visit by the Easter Bunny!

Many thanks to everyone who attended and donated to our April coffee morning. We raised £220 which was brilliant. Our cake stall was huge thanks to all the ladies who very kindly baked for us.

Messy Church at the end of April was very busy. We had 17 youngsters decorating buns, making crowns and colouring in cup cakes for our Cup Cake prayer poster. It was great fun. Many thanks to all who attended and helped on the day. Margaret is manning a craft table at the Hambleton Village Gala for Sunday Club on 10th June from 1pm. Why not stop and say hello if you are planning on going. You will be made

very welcome.

Tea and Toast have been very busy also. They had a coffee morning to support Cystic Fibrosis and raised the fantastic sum of £170. Very well done to them. For Christian Aid week they are holding a sponsored obstacle race at the end of the Tea and Toast session so the little ones can show how agile they are jumping over things and crawling through tunnels. They are also planning a fun raising event on 8th July in the form of a toy sale. More details will be available nearer the time on the [Tea and Toast Facebook](#) page. The Tea and Toast ladies are doing such a brilliant job. It is always very busy.

As always you are very welcome to join us any Sunday morning at 10.30am.

Very best wishes,

Everyone at Hambleton Chapel

Hambleton History Research & Archive Association

Finding Hambleton's Hidden History

Thank you to everyone who came to the AGM on Saturday 15th April. Dr Jon Kenny gave an interesting talk on the dig at Hill Top Farm and the importance of finds in helping us to learn more about our history.

We found a lot of pottery during the dig some of which is believed to be medieval. At some point we will be holding a 'sorting session' to see if we can link any of the items together and see if we can decide what they were part of. The date will be published and anyone will be welcome to join us.

There is now a section on the website for the Hidden History Project. We are continuing to add to the website and have recently been given well over 100 slides to scan.

We are having a stand at Hambleton on 10th June, 2023 so come and see us. We will have some of the finds from the dig with us for you to look at.

If you would like to know more or help in anyway please contact us:

email celiahhraa@btinternet.com or phone 01757 228649

NEWS FROM ST. MARY'S CHURCH

Greetings from St Mary's.

I reflected in the last newsletter that 'Church' is not really about buildings, but is about people, and I pondered what we say to those who may wish to come and be our new Vicar. I asked what our villagers wanted from St Mary's. Was St Mary's at all relevant and if not, can it be?

It is heartening to be able to say that we have had a very active period starting with Easter and the Village Hall Easter Bunnies using the church for their Egg hunt when the rains came down, and then with weddings, baptisms, and yes, funerals too. Consequently, on several occasions the church was full to capacity!

Janys has been very busy with Open the Book, and along with the Church Team, going into school on a regular basis acting and telling the bible story.

Our monthly coffee mornings have been very successful – why not come along and enjoy coffee and cake and fellowship with us?

The Annual Meetings have taken place. No 'new faces' appeared. There were no nominations for churchwarden and my period of office ends on the 31st August 2023, although I am now an elected member of the Parochial Church Council. We still have a viable 'PCC' but only three of us instead of the possible six. We will do all that we can to enable St. Mary's to be there should you need us.

Please check our website and the church noticeboard for further information as we continue the process of finding a new vicar. We hope we may have seen you at Jumbleton!

Our Prayers and best wishes are with those in need, both within and beyond our village.

Best wishes, *David Brown* Churchwarden
