PARISH COUNCIL NEWS

These pages will give you an update on what the Parish Council have been dealing with and any issues that have been brought to our attention. Parish Council Meetings are held every second Thursday of the month, check the Notice Board for the most recent Minutes. The next meeting Agenda will be posted 3 days in advance of the meeting on the Notice Board.

Hambleton
Parish Council**PLANNING, GATEFORTH LANE & THE "NEW LOCAL PLAN"**

For information, the New Local Plan has not yet been adopted and therefore the 'preferred options' (preferred areas of land for building housing developments) proposed in it are not yet confirmed as 'preferred options'... this has not stopped the Developers circling and consulting with residents about possible development on these sites... cue leaflets through the door.

Consultation with the locals is seen as a positive thing in the eyes of the Planners, but what can happen is that the complaints raised in the consultation are addressed before the application is even submitted, and the developers design-out the problem.

Having been approached by 'Banks Group' developers about a site down Gateforth Lane (to extend out the back of Gateforth Court, eastwards), the PC have explained it would be inappropriate to comment due to the New Local Plan not yet being adopted and the site therefore not yet being a 'preferred option' site.

The PC has complained to the Planning Authority that the proposed 'preferred' sites in Hambleton in the New Local Plan were not properly consulted on; one of these sites has significantly changed in shape and size and the other was actually rejected as a preferred site at the outset by planning officers. We will keep you updated on this front. The process is long and we still await answers.

Banks Group will be attending the PC meeting on 14th September at 7.30pm to present their plans for up to 65 homes on the site identified as 'Hamb-N' in the emerging New Local Plan. The meeting will be open to the public as usual.

Meanwhile, look out for their leaflet through your door...

POLICE DROP-IN SURGERIES

The Councillors had the pleasure of meeting PCSO Laura Simpson at the July PC meeting; PCSO Simpson and her colleagues have been very helpful dealing with a few recent issues at the Recreation Area and with Hambleton being on her 'beat' now, she would like to get to know you and your concerns in the village. She mentioned what a lovely community spirit we have in Hambleton - and we agree! So if you have any concerns about anti social or suspicious behaviour, local scams or thefts or want an update on crimes that have been reported in Hambleton and the surrounding villages, please do drop in to the Village Hall to chat:

⇒ **Monday 2nd October 6-7pm**

⇒ **Saturday 16th December 3-4pm**

The Drop-In sessions will be held approximately once every 6-8 weeks, the dates and times will be advertised on the Parish Council Facebook page and in the Village Newsletter. You may also find it useful to sign up to the Community Messaging Service - see page 12.

**DID YOU KNOW??**

So, having a Police Officer at the Parish Council meeting obviously led to questions about Road Safety on the A63, as this is an ongoing issue of concern for us all. It led to a discussion about [Op -Snap](#) a means for the Police to prosecute people caught committing a traffic offence on CCTV, Dashcam or passenger/onlooker's mobile phone. A villager was overtaken coming into the village recently (interestingly by someone else from the village), in a 30mph zone and footage of this could have led to prosecution - a similar case elsewhere North Yorkshire saw the driver banned for a year and fined £1500. Search "Op-snap North Yorkshire" for more information.

NEW PARISH COUNCILLORS

We warmly welcome Scott Conor to the Parish Council who has filled the vacancy left by Melissa Mountford, and sadly, Cath Protheroe resigned in May, leaving a vacancy which we can now thank Paula Fitzgerald for stepping up to fill. We are pleased to announce we are once again Parish Council with a full compliment of Councillors!

RECREATION AREA UPDATES

After a bin fire (non-malicious) and some young drivers spoken to by the Police about the way they were driving on the car park surface - we can definitely say the CCTV comes in handy! A new sign is going up and we look forward to carrying out some significant improvements in the future.

HAMBLETON UNITED CHARITIES

Hambleton United Charities

Hambleton United Charities is a small local Charity that includes 'The Poor's Land and Richardson's Gift, 3 parcels of land within the Parish of Hambleton, which was officially registered with the Charity Commission in 1888, although it had been established many years previously. The Charity Deeds stated that the first Trustees were William Bew Todd, John Todd, Reverend Thomas Cheese of Brayton and Harris Anson. Today's Trustees are Celia Barnes, Jeff Bramley, Adam Durkin, Ingrid Millington and Cath Protheroe.

Each year the Charity receives rents from the 3 parcels of land from 2 local farmers and the Parish Council. It also receives a small disbursement from 'Brayton Poor's', being a legacy from when Hambleton Parish Church was part of the Brayton Parish Church. Over the many years the criteria in which the money could be paid to recipients has changed, with the Charity Trustees having to comply with the Trust document, written in 1888, as far as possible, in the 21st century.

For a good number of years the Trust has regularly given money to local, independent, village groups that have needed a little support and the elderly of the village have received a small Christmas gift. Some money has to be reserved for annual and any legal expenses that may occur, leaving a finite amount to be distributed annually.

The present criteria for Hambleton residents to receive a Christmas Gift are:

- 1) To be in receipt of the State Pension.
- 2) To have retired from work.
- 3) To have lived in the village for, at least, 5 years.

Should any Hambleton resident, not already receiving a gift and qualifying using the criteria above, wish to apply to have their names included on the list of recipients, please contact:

Ingrid Millington -01757 228566 before Sunday 15 October 2023

HAMBLETON PLAYERS

Laughter Galore and Big Thanks: Hambleton Players Bow in Comic Appreciation!

Hey there, Hambleton pals!

We're here to give you a great big, thank you for your fantastic support during our May production of "The Best Man." Our audiences were like a shot of comedic adrenaline, and our cast and crew had an absolute blast!

We were astounded when the writers of the show - who journeyed all the way from Norwich to see our performance in the little ole village of Hambleton. They couldn't believe their eyes and ears when they experienced the electric atmosphere you lot created! We're pretty sure they thought they stumbled into a laughter tornado. Our cosy little space turned into a comedy goldmine thanks to you!

Oh, and our children, they loved how we included them into the performance!

We gotta give a special shout-out to those energetic, smiley little darlings who became part of the show. The writers were so smitten with their lively antics that they couldn't resist showering us with two more scripts. Looks like we've hit the jackpot! Who knew our local talent could be so inspiring? We've got those writers itching to see what hilarious magic we'll conjure up next.

Speaking of which, we've got an announcement that will tickle your funny bone. Our next production will have you rolling in the aisles!

Drumroll, please... It's "Snow White and the Seven Dwarfs," and guess what? Our very own producers have cooked up a comedy feast for you. It's gonna be side-splittingly funny, with more laughs than you can stuff in Santa's sack.

So mark your calendars, 'cause this December, we're gonna have you ho-ho-ho-ing all the way!

Tickets for "Snow White and the Seven Dwarfs" go on sale late October, so get ready to grab 'em like they're the last piece of chocolate cake. We're itching to entertain the socks off this village once again, and we can't wait to see your smiling faces in the crowd, chuckling away at our antics.

Before we go, we want to express our sincerest gratitude to all you amazing folks. Your support, your belly laughs, and your uproarious applause mean the world to us. We couldn't do what we love without you, and we're forever thankful for the joy you bring to our performances.

So keep those funny bones primed and ready, because the Hambleton Players are just getting started...

The Hambleton Baby & Toddler Group is held every Wednesday from 9.30-11.15am during term time in the Village Hall and warmly welcomes all pre-school children and their grown-ups.

It's £3 per session which includes toys to play with, crafts, a snack for the children, hot drinks for grown-ups and singing/dancing.

HAMBLETON VILLAGE HALL

Celebrating Community Spirit: Gratitude for Supporting the Village Hall!

We would like to extend our heartfelt gratitude and appreciation to each and every one of you for your incredible generosity and support towards the village hall. Over the past few months, we have been fortunate enough to organise some fantastic events, and thanks to your participation and contributions, **we have successfully raised approximately £1794 for the hall!**

Firstly, we want to express our sincere thanks for your participation in the recent **Craft Fair at The Owl**. The event was a success, with local artisans showcasing their talents and offering an array of beautiful crafts. Your presence at the fair and your generous purchases not only helped support the village hall but also encouraged the local talent within our community.

We then enjoyed being part of **Jambleton** where we provided a children's games tent including the ever-popular hook-a-duck and teddy tombola. Although it required hard work, it was a great fundraising day, and we absolutely loved entertaining the children. The laughter and joy of the children were infectious, and we can't wait to bring them even more delightful experiences next year.

Following Jambleton, **The Owl organised a thrilling Horse Racing Night** to support the hall, and once again, your unwavering support made it an extraordinary evening. We are delighted to announce that Philippa at The Owl generously contributed prizes and donated the profits of the event to the village hall. Philippa's kindness to our cause was greatly appreciated as we raised so much needed funds from this night – and had a great time in the process – all the village hall committee extend our sincere gratitude to her for her continuous support.

Moreover, we would like to extend a special thank you to **two exceptional volunteers, Sarah Beighton and Paula Fitzgerald**, whose tireless efforts and meticulous planning made all three events possible. Sarah and Paula dedicated their time and energy to ensure the success of the Craft Fair, the Village Hall Games Tent, and the Horse Racing Night. Without their unwavering commitment and passion, we would not have achieved such remarkable results. We would also like to express our appreciation to everyone who generously donated items for the raffle during these events. Your contributions added excitement and anticipation, and we are grateful for your generosity.

Looking ahead, we are thrilled to announce our upcoming events. Due to the overwhelmingly positive feedback from the Elvis cinema night, we have planned two new exciting cinema nights for your enjoyment. Get ready for **"The Tina Turner Story"** and **"The Whitney Houston Story"** – two fabulous films that will surely captivate your hearts. Stay tuned for promotional updates and dates on Facebook and posters outside the hall.

In conclusion, we are **immensely grateful** for the support and generosity that you have shown towards the village hall. Your involvement and contributions have made a significant impact and will enable us to continue improving the facilities and organizing more engaging community events.

Thank you, once again, for being an integral part of our vibrant community. Together, we can create a stronger, more connected Hambleton.

With heartfelt appreciation,
Fiona

NEWS FROM CHAPEL

It was lovely to see lots of village people at the Hambleton Village Gala. Margaret did a fabulous job organising a Chapel craft table. Little ones were invited to decorate a medal while Margaret informed them of the fun things going on in Sunday Club. Lots of people stopped for a chat.

Tea and Toast have been extremely busy. They had a great time at their Christian Aid sponsored obstacle event and raised lots of money for such a worthy cause. They had a fabulous Toy Sale at the beginning of July. The Chapel was bursting with donated toys, book and clothing. People were very generous. They raised over £500 which was amazing. Very well done to all the hard working Tea and Toast ladies. They do a great job.

Lydia, the Circuit Children and Family Worker is organising a Children's Holiday Club at Chapel on Tuesday 1st August.

It is our Harvest Festival Service on Sunday 17th September at 10.30am. It will be taken by our own minister Rev. Christine Gillespie and will be followed by a simple harvest lunch. You are all very welcome to join us.

Things slow down a little bit over the summer holidays at Chapel. Sunday Club takes a break until September as does the Youth Group. We continue with our services in Chapel and our visits to other neighbouring Chapels.

As always you are very welcome to join us at 10.30am. We hope you all have a restful peaceful summer. The people of Hambleton are always in our prayers

Very best wishes

NEWS FROM ST. MARY'S CHURCH

Greetings from St Mary's.

We continue the process of preparing to advertise for a new Vicar for St Mary's. Whoever may be appointed will also be the Vicar for the Parishes of Haddlesey and also Carlton & Drax too. We pray that with God's help we will find our new priest in charge.

In the meantime, by the end of July, six more children and two adults will have been Baptised and our third wedding of the year will have taken place. It brings great joy that St Mary's continues to be available as our Parish Church for these 'Occasional Offices' and, of course, for the inevitable funerals. I've said it before, and it's worth repeating, that 'church' is about people. When these occasions arise and people feel the need to be able to come into church, it is so important that St Mary's is there for them. It is that which strengthens and heartens us in our own ministry.

As the School term ends, our work with Open the Book pauses until September; the Leavers Service will have taken place with the children receiving their School Certificates and a little book 'Your Secondary School Survival Guide' from the church. For the youngest children there was the opportunity to *experience church* before the term ended when they came into church with their teacher.

Our 1st Saturday monthly coffee mornings continue – from 9:30am to 11am – tea/coffee, cake, a raffle, and fellowship – much enjoyed by those who come and a welcome addition to much needed church funds – why not consider joining us – you may find you enjoy it!

This year we hope to resume our Teddy Bears Picnic interrupted by the pandemic and which, hopefully, will take place on Saturday 26th August 2023. It provides an opportunity for those children recently baptised (and mums) to get together. Looking further ahead we are planning for the Village Scarecrow Festival and our Harvest Festival (including the prize-giving).

Please check our website and the church noticeboard for further information as we continue the process of finding a new vicar.

Our Prayers and best wishes are with those in need, both within and beyond our village.

Our best wishes

David Brown
