

## SET UP

First on site, as always, are the generators and the Technical Stage Services crew at 7am!! Then our volunteers help pitch the PC tents and some gazebos, set out the barriers and organise bins. Also on site first thing as usual were the Hambleton Gardening Club, who also hosted the Bake Off display. You can see how big the open space is to start with!

The Village Hall team then make light work of building their big marquee, and our traders start arriving circa 10am to get their stalls set up. Lastly B&Bs Inflatables and Pole Position Karts arrive with their activities - prompt, professional and reliable service - thank you!

We are so grateful to Angus from Stod Fold who, although couldn't be with us for the day to trade, did loan us this beautiful stretch tent - turning up at 9am to set it up and returning at 8pm to take it down!! It was certainly put to good use in the day!! The sky was so blue - we knew it was going to be a good day!

Once all our traders are set up, we can move vehicles out of the way and welcome our guests!

We were lucky enough to receive two significant grants towards the set up costs for Jambleton.

The Rail Electrification Alliance (REAL) donated £3000 to help with the costs of our event. REAL, an alliance that includes Network Rail, Volker Rail and Murphys are working on the electrification upgrade along the Doncaster to Edinburgh East Coast Main Line and this includes the substation and compound at the end of Scalm Lane, Hambleton. They were keen to offer their support to our event and we really appreciate it.

County Councillor Cliff Lunn also recommended Jambleton for £1000 worth of Locality Budget funding from North Yorkshire Council, to cover facilities such as WCs, ground cover and first aiders.

In addition to receiving grants, costs of printing and competition prizes were covered by local businesses FAA Installations and Pentest People. We also received donations of prizes from Premier, Asham Bryan Wildlife Park, Copper Top Coffee and The Owl.

This year we offered the opportunity to buy a banner to advertise your business too - this was really successful and the banners we bought are excellent quality. Ark Facilities, Floor & Wall Ltd, Rosedene Builders, Step's Little Stars, Streetscape, Subscan, Tiny Toes, Trust Electric Heating and Yorkshire Automotive Projects all purchased banners and this covered a significant amount of costs. Our traders also paid for pitches this year too.

## FUNDING

## FOOTBALL CLUB PRESENTATION

To mark the end of their season, Steve Richards and the football team coaches organised for the presentation to be at Jambleton, just before we officially opened - the Recreation Area is their regular training ground and it was great to see the teams gather round and get their trophies! Afterwards, the families were also able to enjoy all the fair had to offer!

The Parish Council would like to thank Steve and the committee for their continued work to offer as many opportunities to as many local people as they can. With recent news of a Hambleton FC merger with Monk Fryston FC these opportunities will be wide and varied because they can pool resources and volunteers! Volunteers really do make the difference when it comes to community groups - please help where you can!

## FUN RUN

Selby Striders very kindly organised a one mile family fun run to kick start Jambleton 2023! Councillor Jeff Bramley, the Parish Council Chairman, started the race off and competitors of all ages were cheered on by Race Marshalls and Jambleton stewards along the route as well as by family, friends and the Jambleton crowds.

It was a scorching hot day for a run, all the competitors did fantastic!

All those who took part received a certificate from the Selby Striders group who had also set up a stall for people to visit to find and more about the group!

It was great way to start Jambleton 2023 - thank you to everyone who took part!

Special thanks to Chris Dugher for being the race organiser and making all the necessary arrangements for the race!

## THE VOLUNTEERS

You might not realise that our Parish Councillors are all volunteers too - they are committed to doing what they can to make Hambleton a lovely place to live. For Jambleton, we have the support of an amazing bunch of people who also give their spare time to make sure the event can happen.

All the glamorous jobs like emptying the bins, constructing/deconstructing gazebos, lugging stuff around and then stopping the vehicles that still insist on driving down the closed road... volunteers do those jobs.

We will be planning the 3rd Jambleton in the not so distant future - if you want to come and help us with the glamorous jobs - even just for an hour in the morning - we'd be very grateful!

**MASSIVE THANK YOUS:**

TO ALL OUR 2023 SET UP VOLUNTEERS, ESPECIALLY GARETH AND CHRIS WHO ARRIVED TO HELP AT 8AM AND WERE THE LAST VOLUNTEERS TO LEAVE SITE AFTER 9PM.

GRAHAM FOR STORING AND SETTING OUT THE GROUND COVERS AND PACKING IT BACK UP THE NEXT DAY AND ASPERS FOR ADDITIONAL MANPOWER!

ANGUS FOR THE LOAN OF THE LARGE STRETCH TENT MARQUEE THAT LOOKED AMAZING AND WAS EXTREMELY USEFUL! FOR SETTING IT UP AND DISASSEMBLING AFTER THE EVENT - THANK YOU.

ADAM & CATH FOR USING THEIR VANS FOR FETCHING AND CARRYING TABLES, BENCHES, ARTWORK AND ANYTHING ELSE!!

FIONA, PAULA & SARAH (VILLAGE HALL) MARGARET G (BROWNIES), MARGARET S (CHAPEL), DORINA, KAREN & COLLEEN (HAMBLETON CHRISTMAS LIGHTS) OFFERING GAMES, ACTIVITIES AND TOMBOLA ALL DAY TO ENTERTAIN THE CROWDS, WE ARE SO GRATEFUL FOR YOUR AMAZING SUPPORT!!

HELEN & THE GARDENING CLUB FOR RAISING MONEY FOR THE CHRISTMAS LIGHTS BY SELLING THEIR PLANTS.

ALISON (HAMBLETON PRIMARY SCHOOL UNIFORM SWAP), HAMBLETON SCHOOL CHILDREN (PC TENT ARTWORK), CELIA (HRAA), CLAIRE (LADIES GOLF SOCIETY), SELBY FIRE STATION CREW AND OF COURSE SPIDERMAN (THANKS TO CATH FOR INVITING HIM ALONG!)

ASPIRE DANCE - UNDER A NEW NAME, AND WITH YET ANOTHER FABULOUS PERFORMANCE FOR US! BETTER WORKING CONDITIONS THIS YEAR ASPIRE TEAM!!

LAST BUT NOT LEAST A ROUND OF APPLAUSE FOR OUR FANTASTIC MC - NIGEL - HE PULLS ALL THE ACTS TOGETHER INTO ONE BIG SHOW, MAKES EVERYONE

## THANK YOU SO MUCH

## BANDS &

## ENTERTAINMENT

All the credit for the quality of musicians on stage this year has to go to Aspers and his good friend Jimmy Mac. With the stage and sound being set up by Technical Stage Services, Aspers and Jimmy ensured we had amazing acts and also took care of the backstage arrangements, ensuring that they had the right instruments and equipment to perform for us. A MASSIVE THANK YOU to them both for giving up their own time to make Jambleton a success. What a team!  
Hannah Goodall, Nalگو Bay, Ellis Best, DJ Stanstaar, At the Arcade and The Banquets!!

Amongst all the live music we had the Annual Welly Wanging Competiton and the Bake Off as well as about 20 traders, food and drink and a giant inflatable slide, an obstacle course, electric go-karts and SPIDERMAN - who was loved by the adults as much as the kids! A heart-warming memory of the day was when a little boy about 4, dressed head to toe in clothes of Spidey designs, met and was clearly in awe of his idol! A much bigger event than last year, more for the kids to do and, in all, a much more pleasant family day out because the sun was shining! Here are a few photos taken by you throughout the day!
