VILLAGE PLANNING APPLICATIONS

PLANNING APPLICATIONS

The Parish Council is aware of 3 major developers looking to build residential developments in Hambleton. You are urged to have your say on the proposals via the Selby Area Planning Portal: <https://public.selby.gov.uk/online-applications/>

In light of so many major developments being proposed, the Parish Council will be taking the advice of a Planning Consultant who deals with objecting on behalf of Parish and Town Councils on these matters. There will be a PUBLIC FORUM at 7-8pm on Tuesday 12th December at the Village Hall so the PC can share the information and advice from the Planning Consultant.

The interest has peaked since the Selby Area Local Plan was submitted to Central Government for approval, at this stage developers can refer to the 'emerging' Local Plan in respect of sites and housing allocation etc.

In addition to the Selby Local Plan which had to find 5 years land supply for houses within the district, the new unitary North Yorkshire Council must now produce its own Local Plan. The North Yorkshire

Local Plan can ALSO use Selby area land as allocation for its housing supply so the Parish Council urges you to voice your opinions in all the upcoming consultations.

Current Consultations INCLUDE:

- **Statement of Community Involvement**— proposes how NYC will involve the community and keep people up to date through the process. It is important they include the community in allocating housing supply because this affects people's immediate locality and day to day lives
- **Draft Housing Strategy Consultation**— a new strategy to deliver homes that meet the needs of communities across North Yorkshire. This strategy provides a framework for the housing policies and projects that we will carry out in the next five years
- **Housing Allocation Policy**— NYC now need to implement one policy for allocating social housing to cover all of North Yorkshire

Visit: <https://www.northyorks.gov.uk/your-council/consultations-and-engagement/current-consultations> to HAVE YOUR SAY

Current Applications:**Manor Farm proposal: ZG2023/1152/OUTM**

Outline application with all matters reserved except for means of access to, but not within, the site for the development of up to 150 dwellings and associated landscaping and infrastructure works. LOCATION: Land At Manor Farm, Chapel Street

This is a duplicate application, for reasons given by the developers in the covering letter accompanying the application. The PC will be sending the same response as it did to the last application, along with any additional details as advised by the planning consultant.

Gateforth Lane proposal: ZG2023/1033/FULM

Erection of 65 residential dwellings, formation of roads, hard and soft landscaping and associated infrastructure | Land East And South Of Gateforth Court

An extension for comments until 15th December has been granted to all residents, however the Planning Officer dealing with the application has explained these are major applications and likely to take some time before they are ready to be decided—planning comments can usually be submitted right up until the application goes before the Full Planning Committee.

Taylor Wimpey, Scalm Lane

No formal application as yet but the staff at the consultation at the Village Hall on Tuesday suggested they would have an outline application (access roads, not house layout or details) ready for submission before Christmas.

Hambleton
Parish Council

NEW COUNCILLOR

We welcome Tim Anger to the team as our newest Councillor! He's joined at a really tough time where concerns are high with regards to development in the village but we know he is ready to get involved and we thank him for his time and commitment.

THANK YOU VOLUNTEERS

You may not know that the Parish Councillors are volunteers, and they are supported by an army of Hambleton residents who help things run smoothly. Twenty one regular Newsletter deliverers, several Park gate open-and-closers, the Act of Remembrance Service team, the Christmas Lights Committee, the Litter Pickers, and not forgetting our magnificent Jambledon crew. All the village community groups too, they are run by volunteers and have more volunteers helping them; the community spirit is strong in Hambleton, we really support each other. Our volunteers are a key part of our community and the Parish Council greatly appreciates each one of you.

THANK YOU!

ACT OF REMEMBRANCE

Thank you to everyone who attended the Act of Remembrance on 11th November on the Green. Thank you to Mr Williams, Hambleton Primary school headteacher, for the loan of the PA system and benches and for arranging for students to attend with parents to deliver their earnest words as

part of the service. David Brown and Janys Cliff, once again led the service with readings from John Parker and Chipping Norton. Councillor Jeff Bramley laid a wreath on behalf of the Parish Council and other community groups sent representatives to lay wreaths also.

HAMBLETON LIGHTS NIGHT

Another successful Lights Night, the village is well and truly getting into the festive spirit! Thank you to Emma our lovely Red Lion manager who pressed the button this year! Even after a very busy day at the Red Lion Christmas Fair, Emma still found time to be our local celebrity—we're very grateful, thank you!

Bakes by Lily Rose offered some tasty treats for the event and the complimentary Mulled Wine went down well! Copper Top Coffee continued to offer Christmas themed drinks from the outside the Red Lion as Penelope Piaggio isn't a fan of getting up slopes!

It was lovely to see the children attend from the Christingle service too.

The Christmas Fair, the Christingle and the Christmas Lights switch on all worked really well together—and a great crowd gathered for the Lights.

We hope you enjoyed the evening! Thank you for joining us! See you for the Village Hall Committee's Carols on the Green on Christmas Eve...

I'm a Hambleton Mum who wants to encourage others to share the benefits of pre-loved clothing and as such with support of the village school I have set up a new Facebook group -

"[Hambleton CE Primary School Uniform Buy/Sell/Giveaway](#)"

List good condition uniform you want to sell, or that you are happy to give away for free or find items you are looking for. There is a donation box at the Primary School.

If you have uniform to give away/needs a repair but don't have the time to sort this, get in touch and we can arrange a collection.

If you get uniform from the group for free, please consider making a small donation to Hambleton School funds via ParentPay (set up by the school) - getting uniform does not depend on this, it is completely your choice.

News from Chapel

The weeks are passing by and our thoughts at Chapel are now focused on the festive season.

Many thanks to everyone who contributed to or attended Pam's MacMillan Coffee morning in September. The event raised over £230 which was fantastic and we all got to eat masses of cake!

Our October Messy Church was great fun. We learned about the Good Samaritan and decorated gingerbread men with fondant bandages and strawberry jam blood. As you can imagine they went down a treat with the children!

Sunday Club continues to thrive thanks to Margaret's hard work. They do lots of fun activities on a Sunday morning and there is always room for more.

We are having a Christmas Coffee morning on Saturday 9th December from 10am to 11.30am. There will be all the usual stalls. We desperately need to raise funds for Chapel so we would very much appreciate it if you popped in for a coffee and a mince pie.

We are having a Nativity Messy Church on Sunday 17th December at 10.30am. Please bring your little ones along to learn about the true meaning of Christmas in a very fun way. We are having a tradition Carol Service on Sunday 24th December at 10.30am led by our minister Rev. Christine Gillespie. This would be a lovely way to begin your Christmas celebrations. Everyone is very welcome.

There will be no service at Chapel on Christmas Day. There will not be a service at Hambleton Chapel on New Years Eve 31st December as we are joining our friends at Sherburn Chapel for a sectional service at 10.45am.

You might have noticed a delivery van has demolished Chapel garden wall. Many thanks to the observant passerby who saw it happen and took the registration number as the van just drove away. It is in the hands of our insurance company but hopefully it will get rebuilt soon. That wall has survived two world wars but not the dreaded delivery man!

Tea and Toast is doing really well and I've heard they have lots of fabulous Christmas activities planned. The Tea and Toast ladies do an amazing job week after week.

As always you are very welcome to join us on a Sunday morning. We are a small congregation but you would be given a very big welcome. We hope you all have a wonderful Christmas and a healthy peaceful New Year

**Very best wishes
Everyone at Hambleton Chapel**

NEWS FROM ST. MARY'S CHURCH

Greetings from St Mary's.

The Interviews for a new Vicar have taken place and we pray that with God's help we will find our new priest-in-charge.

The new School term has started, and our work with Open the Book continues. Christingle has 'been and gone' with the short Family Prayer Service on the 26th November providing the opportunity for children to bring their Christingles to church to be lit. It is always a wonderful sight, seeing candles burning in a darkened church during these cold wintery days! The school Christmas Services are in 'the diary' and we look forward to them and the opportunity they give for parents to come into church.

Advent Sunday this year falls on the first Sunday of December, the 3rd. The regular Service for that day is a Book of Common Prayer Holy Communion Service and this year it will be led by the Archdeacon of York, the Venerable Sam Rushton. During the service we will light the first Candle of the Church Advent Ring, just as on the following Tuesday we will light it, first at School during the Open the Book Collective Worship and then at Hambleton Court, when we deliver their Advent Rings.

As last year, our Carol Service will be at 3:30pm on Sunday 17th December. A Service of Readings and Carols reminding us of the Christmas Story and helping us prepare for New Light coming into the world.

Christmas Eve Mass will be at 9:00pm on the 24th December and once again the Church will be illuminated by candles.

Our December Coffee Morning and Christmas Fayre will be in Church on the 2nd December from 9:30am. Please see the Church Noticeboard and Website for further details. From January our 1st Saturday, monthly, coffee mornings resume in Allison's kitchen – from 9:30am to 11am – tea/coffee, cake, a raffle, and fellowship. These events are enjoyed by those who come and provide a welcome addition to much needed church funds. Why not consider joining us – you may find you enjoy it!

We want to say "Thank You" to all those who respect our request, when funerals take place, by leaving the road by the church clear for funeral parking. Not appreciated, however, are the actions of those who think it appropriate to deposit used dog bags in the Church bins!

Our Prayers and best wishes are with those in need, both within and beyond our village.

Peace be with you and have a joyous Christmas.

Best wishes, *St Mary's PCC*
