I would like to thank everyone who bought plants from me throughout 2023.

I was able to send £161 to Crohn's & Colitis UK.

Sometime in early May I intend to have an Open Garden to raise further funds.

I will announce the date outside my home - 54 Chapel Street, and in the newsletter if possible.

**You can recycle your
Christmas tree for free** at all household waste recycling centres. Put them in the garden waste skip for shredding and composting.

Garden waste subscribers in the Selby area can have their real trees collected with their garden waste bins in the new year. Cut up your tree and put the pieces in the bin if possible, or leave the tree at the side of your bin - but please don't block the road or pavement.

PARISH COUNCIL NEWS

These pages will give you an update on what the Parish Council have been dealing with and any issues that have been brought to our attention. Parish Council Meetings are held every second Thursday of the month, check the Notice Board for the most recent Minutes. The next meeting Agenda will be posted 3 days in advance of the meeting on the Notice Board.

Hambleton
Parish Council**FATAL COLLISIONS A63 HAMBLETON**

A woman lost her life trying to cross the road in Hambleton on 8th January. This is an absolute tragedy and the Parish Councillors extend their heartfelt sympathies to the family. It follows a car collision in a similar spot only weeks previous, and a fatal accident only 3 months earlier where a bus and a car collided just outside of Hambleton towards Monk Fryston. When will Highways accept the amount of traffic on this road is dangerous enough without additional developments in the villages along the route to exacerbate the problem, and start giving our community some protection against it?

PLANNING MATTERS

The saga continues, as North Yorkshire Council delay the submission of the 'New Selby Local Plan' which makes us all think the Planning Department might actually be considering the Comments we've submitted - however, a revised copy of the pre-submission draft shows the direct opposite has happened. If you are reading this online, you can see the Draft [here](#), page 246, which shows the ADDITION of site 'Hamb-A'. This draft will go to public consultation, at which point the PC hopes you will submit comments to ensure they know how you feel about this.

Thank you to all those that attended the forum. The PC took on board all the comments and shared these with our Planning Consultant who has so far submitted observations on two proposals on behalf of the PC. Their services will be employed for the incoming major applications as the PC tries to do everything in its power to protect our Village.

**The more voices that are heard the better
- say your piece.**

**It is not too late to submit your comments about the
Gateforth Lane or the Manor Farm proposal**

Email: planningcomments.sel@northyorks.gov.uk

To see the proposals, search 'Hambleton':

<https://public.selby.gov.uk/online-applications/>

COMMUNITY LED NEIGHBOUR PLAN

We may be able to help protect and shape our village for the future by creating a Neighbourhood Plan. These Plans hold weight when it comes to granting/refusing planning permission but they must be community led. If we can get a group together, and a leader, the PC can help facilitate the process. Unfortunately, the last time the PC appealed for a community group to do this, it didn't take off - we really need a few motivated individuals to take this on.

DOG ATTACK ON SHEEP

Disturbingly, there have been numerous instances where farmers are seeing dogs off lead and not in close control amongst livestock. Farmers have reported getting abuse when telling the dog owners to get their dogs back. One recent attack resulted in 2 dead sheep and 6 ewes aborting. In addition to this loss are the expenses incurred in vet treatment and rescanning the remaining sheep. Hambleton is a farming village, farming is the livelihood of many of our residents and it is out of order to disrespect that. We all love our canine companions, so why risk their safety letting them run where there are electric fences or even getting shot by a farmer protecting their livestock?

JAMBLETON 2024

The date is 8th June 2024, doors open 1pm. It will remain free entry and we will again have free activities for the children to get involved with. Our event will also mark D-Day80, along with numerous national events to mark the 80th anniversary of the Normandy Landings, so expect a few wartime throwbacks!

If your Community Group would like a stall FOC, or to enquire about having a Business Stall, please email: cllrmariaferrishambletonpc@gmail.com

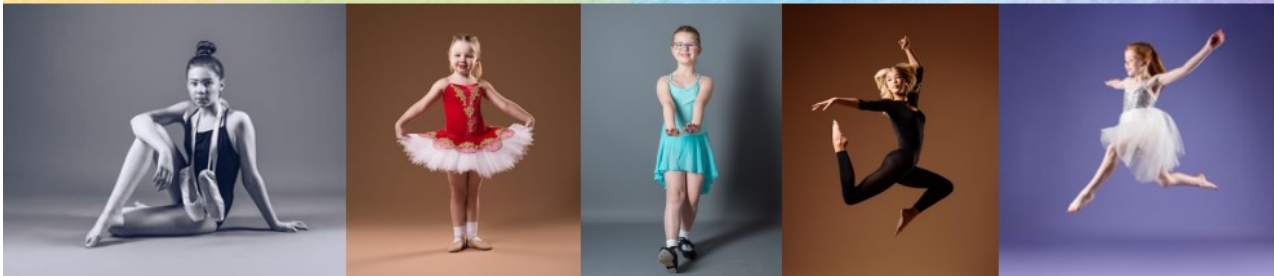

We are looking for Steward Volunteers for various roles and would really appreciate your help even if just for one half of the event... please contact the clerk: info@hambleton-pc.gov.uk

AGM & Open Meeting in Hambleton Village Hall starting at 1400

Come and hear more about our plans, and see displays covering various aspects of village history and life. The meeting is free but we appreciate donations for the refreshments to help with our funds. Everyone is welcome but young people under 16 years must be accompanied by an adult.

We are planning a pottery sorting from the dig at Hill Top Farm in February, possibly on 24th in the afternoon. Let me know if you would be interested and I will confirm details when they are available.

We are also looking at further archaeological investigation to learn more about our early history, so watch this space. The initial investigation will be geophysical surveys led by Dr. Jon Kenny, we are in the process of gaining the land owners permission for 3 potential sites.

We will also be updating the website with more information in the very near future. If you find any documents or photos which you think would be useful to us please let us know. They would be scanned and returned.

If you would like more information or to help in anyway,
please contact us:

NEWS FROM CHAPEL

News from Chapel

Happy New Year to you all from everyone at Chapel.

Our Christmas activities seem ages ago now. Many thanks to everyone who attended or contributed to our Christmas Coffee morning at the beginning of December. It was good to see lots of people chatting away in Chapel.

The Tea and Toast Christmas party was a triumph with so many children attending they had to have two parties, one after the other to cope. I understand there was a visit from a certain chap with a white beard and a red suit! He was kept extremely busy. It all happened on the morning we had that terrible power cut but in true Chapel style they just carried on having fun minus light electricity and heating!

Our Christmas Eve carol Service was delightful with our friends from Brayton attending to boost the numbers. The highlight of the entire service was Molly doing her

reading. What a star!

Our demolished wall has been rebuilt thanks to a very skilful builder and it's hard to see where the damage occurred.

Our Covenant Service is on Sunday 4th February at 10.30am and there will be no service at Chapel on 11th February as we are joining our friends at Burn at 10am or 18th February as we are joining our friends at Brayton at 10.30am.

Our very sad news is our very good friend and congregation member Mrs Molly Rudland passed away before Christmas. She had been unwell for a while. Molly was an extremely loyal and valued member of our little band and she will be greatly missed.

As always you are very welcome to join us on a Sunday morning at 10.30am. We are a very small congregation but you would be given a huge welcome.

Very best wishes,
Everyone at Hambleton Methodist Church

St. Mary's Church

[This Photo](#) by Un-

Greetings from St Mary's.

We are pleased to be able to announce that The Revd Mark Poskitt, Rector in the Benefice of Bosworth, and Area Dean of Sparkenhoe West, in the Diocese of Leicester has been appointed as Priest in Charge in the Benefices of Carlton and Drax, and Haddlesey & Hambleton. We have a new vicar! Revd Mark will be Licensed at the Church of St Peter and St Paul at Drax on the 6th March and we expect this to be the last newsletter entry authored by us. We thank God for our new shepherd.

As another new School year started, we resumed our work with Open the Book. Christmas has 'been and gone'; the School Nativity Services took place in church attended by so many proud parents. Sadly bad weather and strong winds meant the School Carol Service had to take place in School rather than Church. The twelve days of Christmas are passed and we are now in the season of Epiphany. The Wise Men followed the star. The Magi visited the child Jesus and showed how God's gift of the Good News is for everyone. We celebrate God revealing himself to the whole world.

Our monthly, 1st Saturday, coffee mornings have resumed in Allison's kitchen – from 9:30am to 11am – tea/coffee, cake, a raffle, and fellowship. These events are enjoyed by those who come and provide a welcome addition to much needed church funds. Why not consider joining us – you may find you enjoy it!

Our Prayers and best wishes are with those in need, both within and beyond our village.

Peace be with you all.

Best wishes
