I used to volunteer for **Dementia Forward**, a charity, who offer support and activities for any family who are affected by Dementia. There will be a charge for some of the activities but you do not usually need to book from week to week, just turn up.

The activities provided an opportunity for anyone involved in supporting someone with dementia to chat to each other and the person who has dementia to meet people who understand and everyone to have some fun.

The activities offered include:

- **Weekly on a Monday**—1300-1500 Wellbeing Meet up Café at Salvation Army Church, Selby
- **Weekly on a Wednesday** 100-1200 Community Café at Portholme Church
- **Weekly Tuesday Singing Group** 1000-1200 Portholme Church

For more information Dementia Forward activities including home visits to give advice on any help available both from the charity and other organisations ring: **03300 578592**

ACT OF REMEMBRANCE 11.11.24

We must thank Rosedene Builders Ltd who made a fantastic job of laying the pavers surrounding the Memorial in perfect timing for the Act of Remembrance. Having grown up in the village, Rob Bourke wouldn't accept payment for the work, and wanted to give back to the community. We hope you agree it now looks 'complete'.

Thank you to everyone who attended the Act of Remembrance on the Village Green, we are very grateful to have you join us, we know mid week is not ideal for everyone, but still feel it is right to hold a local event on 11 November every year in addition to the national Remembrance Sunday event.

We would like to emphasise that this is a Community event, the PC facilitate and everyone is welcome to take part, make suggestions and lay a wreath or token of remembrance. Whilst it will include the traditional verse which may include references to God, it is not led by any religious denomination, and it will stay that way; this opportunity for our Community to Remember is open to all.

PLANNING UPDATE

Following an Appeal being lodged against the Selby Area Planning Committee's decision 'not to determine' an outcome for the application for development on the Manor Farm site, the Parish Council Chair, Maria Ferris, has spoken on behalf of the PC at the Selby Area Planning Committee Meeting and will be speaking at

the Appeal Hearing, to explain the PCs concerns regarding this application.

Having decided 'not to determine' an outcome for the application, Selby Area Planning Committee had to meet to discuss what it would 'be minded' to decide, if the decision was still in its hands, so it could relay this to the Planning Inspectorate at the Hearing. Councillor Ferris pushed for the Committee to 'be minded' to refuse the application, and the Committee agreed that, had it been the committee's decision, it would 'be minded' to refuse the application. However, its reason for this decision was that the proposal did not offer the amount of affordable housing that a site that size should be delivering.

Moving on to the Hearing, Councillor Ferris will attend on 27th November to put forward the Parish Council views to the Planning Inspector (too late for any outcome to be recorded in here). The Parish Council has been assisted with preparing its argument by a Planning Consultant, to ensure the most sound arguments are put across. Ultimately this decision now lies with the Planning Inspector. The outcome will be shared once the Planning Inspector makes their decision.

The other large developments proposed for Hambleton have not yet been on the Agenda at the Selby Area Planning Committee.

THANK YOU VOLUNTEERS

We owe a lot to our volunteers who tirelessly carry out the unseen tasks no one gives a second thought to. Our park gate keepers, our newsletter deliverers, defibrillator checkers. A big thank you to them, and to all those who volunteer their time in our Community to do something good for our village.

The PC wishes you all

"My car failed it's MOT needed welding. I found YAP by asking for recommendations on Selby SOS and what a find they were. Booking in my car was easy and the works were finished within a couple of days. All works carried out were backed up with emailed photos and an itemised invoice. Beware of gravity it bites.

Mr Gravity is really nasty-
We don't need him any more-
All he ever wants to do-
Is drag things to the floor.

He really doesn't give a damn-
Why has this got to be?
Apples will taste just as nice
If you pluck them from the tree.

My glasses are a joke now-
I have to use two pair-
But when I go to put them on
Of course they're never there.

They do tend to reveal themselves
By glaring up at me-
Some things I never find though-
He hides stuff too, you see!

Be it biscuit scone or crumpet-
Knife fork tea or wine-
Mr Gravity won't give a damn
Anything will do just fine.

Of course if your getting older-
Mr G will laugh some more-
Because if your over seventy
You won't get off the floor,

So I'm warning you in good faith,
Prepare for what's to come-
He'll be after you before too long!
Then you'll wonder what you've done.

*There is just one small thing more
I'm beholden for to tell-
By far the worst of all these things-
Is when your legs begin to swell...*

KRYSTYNA KRAUS would like to thank all those who bought plants from outside of her house on Chapel Street. As promised, she has donated all the sales money to Crohn's & Colitis UK, a grand total of £165!

The charity were very grateful and sent a Thank You letter which Mrs Kraus wanted to share with us all...

Dear Krystyna,

Thank you so much for taking the time to fundraise for us. It is because of fundraisers like you that we can continue to help everyone affected by Crohn's and Colitis. Raising £165.00 through your plant sale is an achievement you should be so proud of. We really appreciate your hard work and support, well done!

NEWS FROM CHAPEL

News from Chapel

We are getting used to the way Chapel is continuing in Hambleton. We have a couple of services a month at home and a couple at either Burn Chapel or Brayton Chapel.

Pam Morley organised a lovely fund raising Coffee Morning for McMillan at the end of September. Many thanks to everyone who donated delicious cakes and scones. She raised £250 which was brilliant. Well done to her.

Our Harvest Festival Service was really well attended and three big bags of provisions were collected and donated to Selby Food Bank. We served all the left over cake from the coffee morning after the service which made it extra special. It went down a treat!

Messy Church at the beginning of October was great fun. We constructed houses out of wafer biscuits and chocolate spread, made a prayer wall and coloured in book marks. A good time was had by all. The children were so very well behaved.

At the end of the month we had a very special service celebrating the 90th birthday of Rev. Derek Lund who is one of our Circuit supernumerary ministers. Not only did he tell us a bit about his very long career he played the piano for us which is a real treat at Hambleton. His wife very kindly brought a huge birthday cake for us all to share. Rather a lot of cake has been consumed at Chapel lately!

Our annual Carol Service will be held on Sunday 22nd December at 10.30am. You are very welcome to join us. It will be followed by coffee and mince pies.

There will not be a service at Hambleton on Sunday 29th December.

Finding Hambleton's Hidden History

Thank you to everyone who came to the Open Meeting in October. Dr Jon Kenny gave us lots of ideas of ways to take our research into Hambleton's Hidden History further so the committee will be producing a plan of activities. These will include further geophysical surveys, recording all the stone buildings and walls in the village to name but two.

The updating of the website is slow as we are now having to do more research into the people or dates of the many photographs we have scanned. The website address is: www.hhraa.org

We are also looking a ways to raise funds to progress the research, all suggestions welcome!

We can confirm Carols On The Green will take place as always on Christmas Eve, at 7pm. For this we thank Ingrid and Trevor Millington for their generous support in providing electricity for the event and set up of the lights and Ellie Jordan and Andrew Pearce for the music. ST. MARY'S CHURCH

St. Mary's Church

A message from the Vicar:

So here we are approaching the most 'popular' season of all – Christmas! I'm sorry if I've said that too early for some of you, but if the shops are anything to go by, then, if we didn't start thinking about it in August, we're way behind! When I was young our Christmas tree didn't appear until the week before Christmas, and it went away swiftly on twelfth night! Nowadays (and I write this mid-November), I've already spied homes where the decorations are already up!

Many people love Christmas, and quite rightly so. It is a celebration of family, friends and community. We hold parties, enjoy a Christmas meal and gather to sing Carols. We talk about 'goodwill' and 'peace to all'. It is in many ways an expression of all we hold dear along with those deeper qualities of love and respect for each other which bind us closer together.

For the Church, Christmas is the celebration of the birth of Jesus – a baby born in a stable amongst the animals, to a young mother named Mary. Shepherds from the fields came to visit as did wise people from the East. He is the human embodiment of God's love for each and everyone of us - a very special baby indeed. He drew others to Him and continues to do so today.

We pray that you will all have a blessed and peaceful Christmas. We would be delighted to welcome you to one of our services this Christmas as we hear afresh the story of His birth and sing carols. May God bless you all and may you know the peace and comfort of the Christ-child always.
