PARISH COUNCIL NEWS

These pages will give you an update on what the Parish Council have been dealing with and any issues that have been brought to our attention. Parish Council Meetings are held every second Thursday of the month, check the Notice Board for the most recent Minutes. The next meeting Agenda will be posted 3 days in advance of the meeting on the Notice Board.

NEW COUNCILLOR

Hambleton Parish Council welcomes Keith Ferris! Co-opted as the eighth member of the PC in February, he has already secured a free 3KV generator for the village hall which can be used should the village power be cut! Welcome aboard Councillor Ferris!

PLANNING UPDATE: MANOR FARM

Most of you will have heard that the Outline Planning Application for up to 156 homes on land at Manor Farm was Approved on Appeal. A detailed FULL planning application will follow in time from the developers.

PLANNING UPDATE: GATEFORTH LANE

The Parish Council has been informed that the NY Planning Committee intends to determine the application [ZG2023/1033/FULM](#) on Gateforth Lane at the Planning Committee meeting in April. Unlike Manor Farm's Outline Approval, this application is a FULL application.

Many of you have submitted objections. The PC will attend this meeting in order to uphold its initial objections. However, the planning officer managing the application has recommended approval of the scheme.

PLANNING POLICY: NORTH YORKSHIRE PLAN

North Yorkshire Council is in the process of creating a North Yorkshire Plan to demonstrate to the Government how NYC is meeting its duty to provide land for economic growth and homes for the future.

The **first step** is for landowners to put forward land they are willing to have included in the plan. This 'Call for Sites' is underway and NYC selects sites from this pool of land to allocate as residential / industrial development.

The **second step** will be for the NYC draft of 'Preferred Sites' to go to a public consultation. This is where the public submit observations on the 'preferred sites'.

Many public consultations will form part of the North Yorkshire Plan process, covering all aspects of planning from green spaces to village/town amenities across the whole of North Yorkshire, there is a vast amount of information to process. The predicted date for completion is 2028.

NEIGHBOURHOOD PLAN FOR HAMBLETON?

The idea of a Neighbourhood Plan for Hambleton was raised again several years ago but there was still very little community interest - a Neighbourhood Plan **MUST** be made by the Community.

As none of the districts in North Yorkshire have a designated land supply to satisfy the new **National Planning Policy Framework**, which means that even if NYC Planning refuse an application, many applications will be Approved on Appeal, **the PC urges the community to get involved and help take this forward, without delay.**

The Parish Council can lead the initiative and will be able to employ a planning consultant and expert advisors to help the process, but it **MUST** be based on the community's involvement. With a neighbourhood plan **the key will be to find a compromise** that sees our village remain a village, but at the same time, shapes its future development to enhance facilities and amenities the residents can benefit from.

CLEAN IT UP

Another increase in dog mess left on the pavements, led to gentle reminders to CLEAN IT UP. A couple of dog owners seem insistent on leaving a state for others to clean up, or tread through. Are they new to the village? Are they new to owning a dog? Infirm? Or are they simply ignorant of how to be a decent person? We need to know who they are; note the type of dog, time of day, description of the owner etc and **REPORT IT** via: https://forms.northyorks.gov.uk/service/SEL_Report_dog_fouling

And finally, some good news...

 "My car failed it's MOT needed welding. I found YAP by asking for recommendations on Selby SOS and what a find they were. Booking in my car was easy and the works were finished within a couple of days. All works carried out were backed up with emailed photos and an itemised invoice. COMMUNITY GROUPS

I used to volunteer for **Dementia Forward**, a charity, who offer support and activities for any family who are affected by Dementia. There will be a charge for some of the activities but you do not usually need to book from week to week, just turn up.

The activities provided an opportunity for anyone involved in supporting someone with dementia to chat to each other and the person who has dementia to meet people who understand and everyone to have some fun.

The activities offered include:

- **Weekly on a Monday**—1300-1500 Wellbeing Meet up Café at Salvation Army Church, Selby
- **Weekly on a Wednesday** 100-1200 Community Café at Portholme Church
- **Weekly Tuesday Singing Group** 1000-1200 Portholme Church

News from Chapel

Looking out of the window at the sunshine and seeing the daffodils flowering in the garden definitely hints the Spring has arrived. It's been a long winter but things are starting to improve.

Things at Chapel tick over as usual with a service at Burn, a service at Brayton and a couple of services at Hambleton each month.

Margaret is doing well at Sunday Club and Tea and Toast on a Thursday is thriving. There will be a Messy Church on Sunday 6th April so bring your little ones along to join in the Messy fun.

We are joining our friends at Burn for Easter Sunday 20th April and there will be a village green service on Good Friday at 3pm followed by a service in Chapel.

Come and join us on a Sunday morning. You would be made very welcome .

Very best wishes

Everyone at Hambleton Methodist Chapel

HAMBLETON HISTORY RESEARCH & ARCHIVES ASSOCIATION

Hambleton History Research & Archive Association

If you are interested in the history of Hambleton whether you have been here for years or are new to the village.

A date for your diary 12th April, 2025

Hambleton Village Hall at 1400

The meeting is the AGM but the business element is kept to a minimum. There will be an update of the Hambleton History Lives. Then Dr Jon Kenny, the archaeologist working with us will present our exciting ideas for the next stage in the Hambleton's Hidden History Project. There will be some displays to enjoy and as always refreshments.

If you see a couple of people going round the village taking photographs of stone house, walls or foundations please don't be concerned. We want to produce a record of all stone building in the village which may help us date them and to produce a plan.

The updating of the website is slow as we are now having to do more research into the people or dates of the many photographs

we have scanned. The website address is:

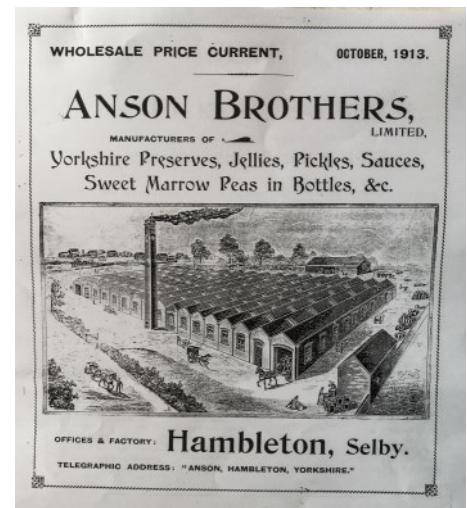

www.hhrraa.org

We are also looking a ways to raise funds to progress the research, one idea is to produce a tea towel with pencil drawing of old village buildings. We will obviously gain the permission of the people who provided the original photographs. Any other fund raising suggestions welcome.

The meeting is open to everyone, but young people under the age of 16 must be accompanied by an adult. There is no entry fee.

If you would like more information or to help in anyway please contact us:

ST. MARY'S CHURCH

A message from the Vicar:

Easter will soon be upon us and I'm sure there will be chocolate eggs, egg hunts and the Easter bunny all making an appearance. It's a time of joy and celebration as we 'wake up' from the cold winter months and look forward to some warmth. For Christians, we will gather together to reflect and celebrate the events surrounding that first resurrection morning when we believe Jesus having been crucified on the cross 3 days previously, rose from the dead and appeared to his Disciples and followers. Easter marks the inauguration of the great Christian hope that death is not the end and does not have the final say, but that through faith in Jesus, we have an assurance that we too will be raised with Him into everlasting glory.

Hope is a wonderful promise to hold onto. We live in a difficult and fractured world which I'm sure causes us all concern. It's easy to feel despair when we see so much suffering in the middle east, Ukraine, Sudan, Congo, Afghanistan. Our own lives may not be immune either. We can face health issues, work stress, family strife. Nobody said life would be easy but when we have hope, it enables us to face difficulties and uncertainties with a deeper confidence.

Our Prayers and best wishes are with those in need, both within and beyond our village.

- Sunday 18th** - 3:30pm - Family Communion

- June:**

Jesus says in St John's gospel, 'I have come that they might have life, and have it abundantly'. That does not mean we will have everything we want and more. He's not talking about material abundance, but an awareness and trust that in life as in faith, we can have a confidence, a hope in him who is 'The resurrection and the life'

I hope you and all those you love, have a wonderful Easter. You are very welcome to join us at any of our Easter services and events (see below) and finally as the Easter acclamation says, 'Alleluia, Christ is risen... He is risen indeed. Alleluia!'

Please see below for our regular events and be assured you will always receive a very warm welcome at St Mary's church.
